

The Healer
And The Berserker

But,

Wouldn't cutting through this forest take longer?

Ahead is the main road that most adventurers take to get to the dungeon.

Well...
E-Every-one comes through here, so... Yeah...!

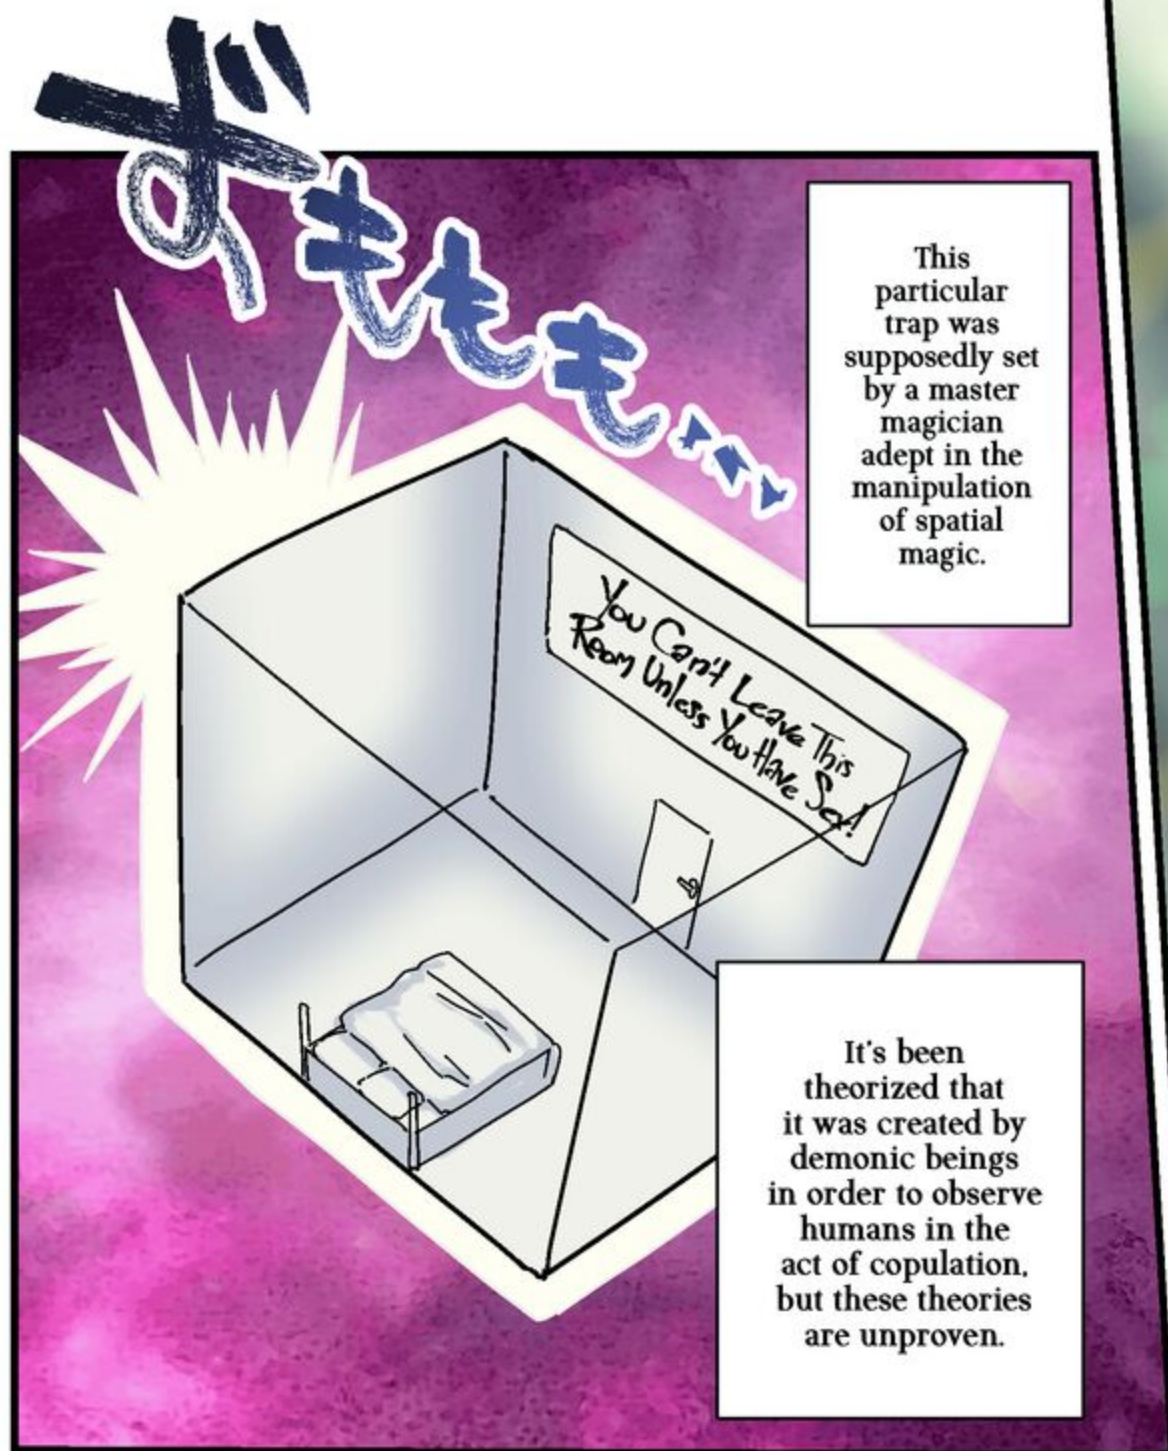

...

There's a rumour that's been floating around...

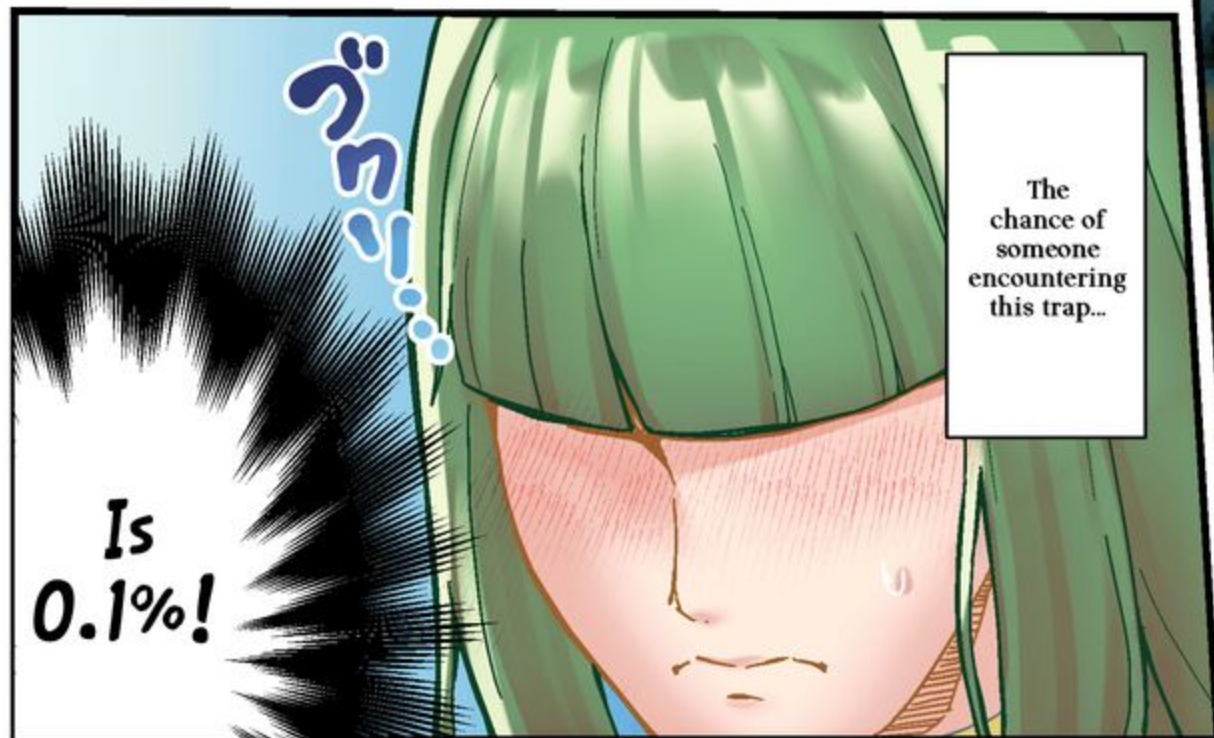

Why the hell would anyone come through here?

Well, the encounter rate's pretty high but the experience is piss poor.

This particular trap was supposedly set by a master magician adept in the manipulation of spatial magic.

It's been theorized that it was created by demonic beings in order to observe humans in the act of copulation, but these theories are unproven.

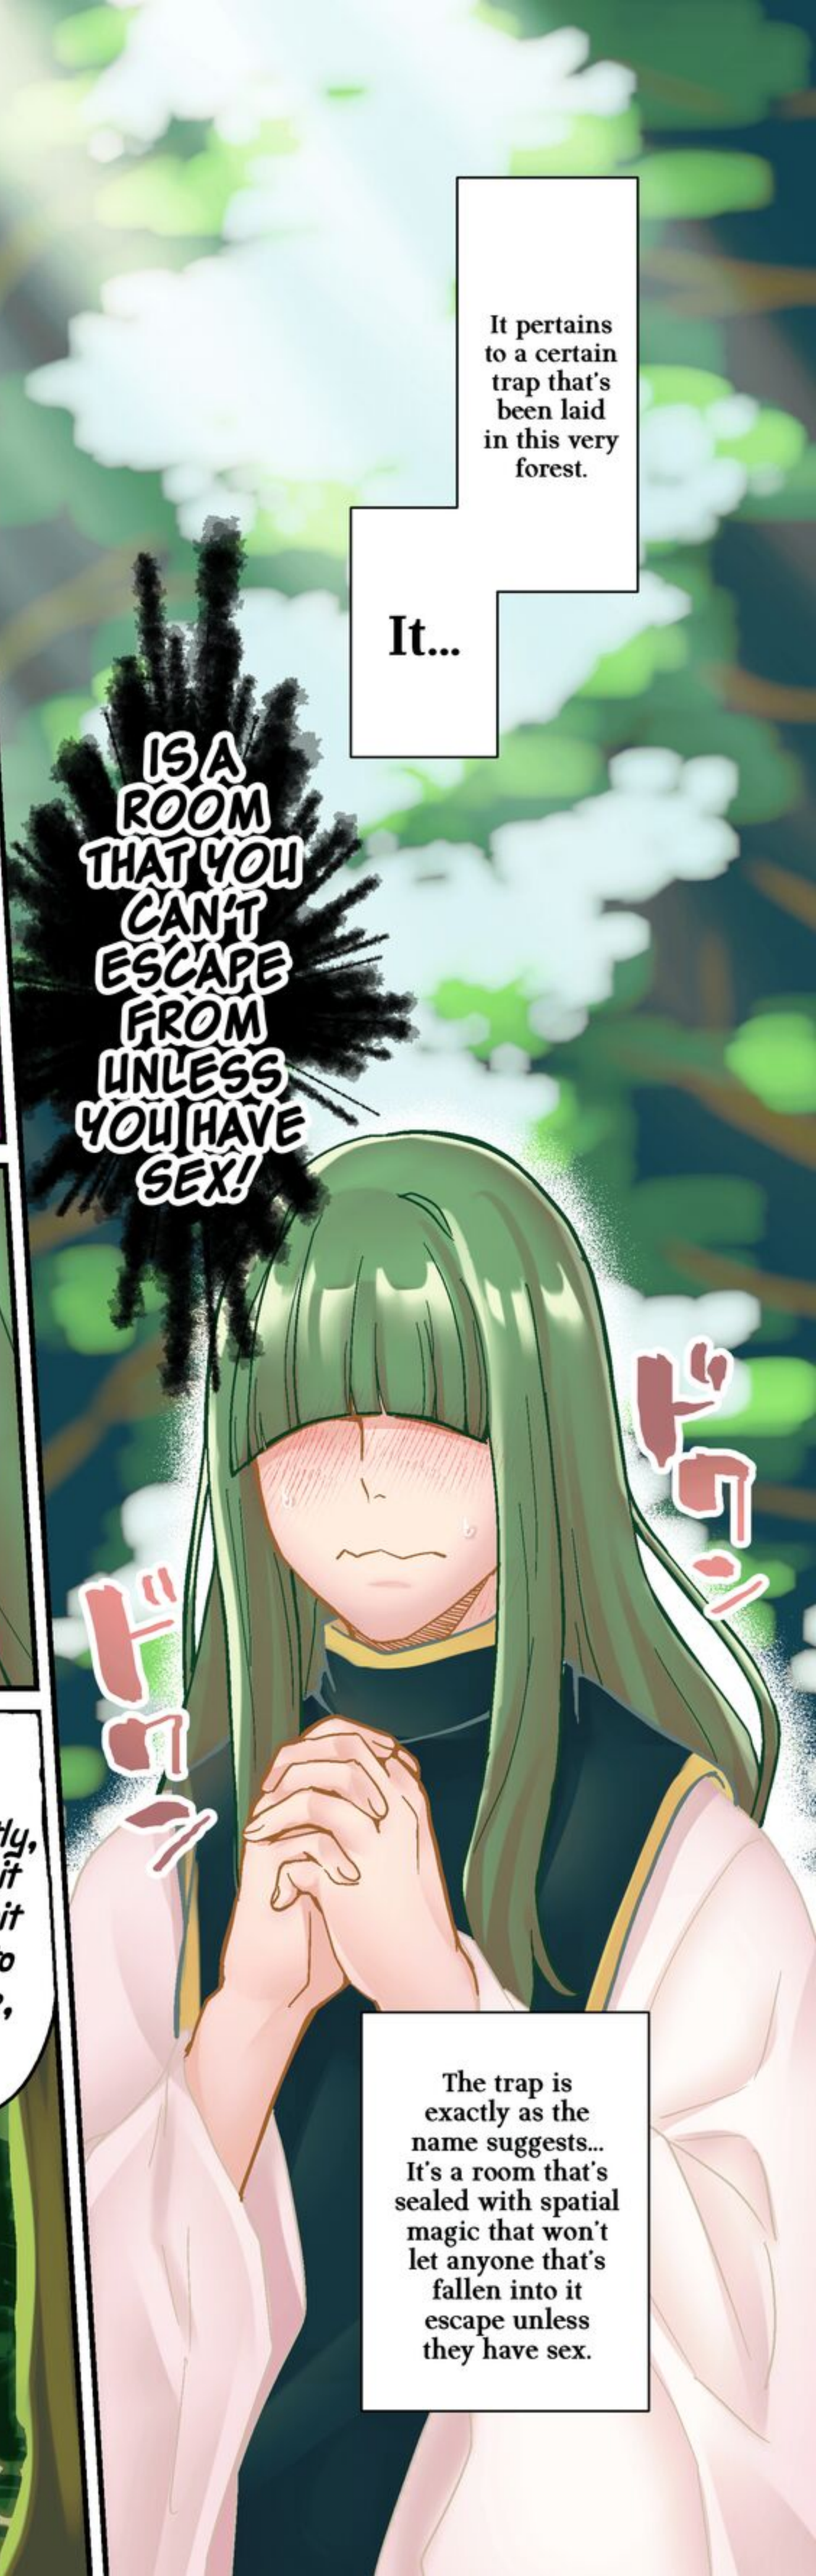

The chance of someone encountering this trap...

Is 0.1%!

But...

Honestly, I find it all a bit hard to believe,

It pertains to a certain trap that's been laid in this very forest.

It...

IS A ROOM THAT YOU CAN'T ESCAPE FROM UNLESS YOU HAVE SEX!

The trap is exactly as the name suggests... It's a room that's sealed with spatial magic that won't let anyone that's fallen into it escape unless they have sex.

I should be asking you that!!

I mean, even Seg wouldn't be able to enter the Dungeon on his own, so-

I was at a complete loss as to what to do... that was, until I met a lone berserker.

I'll leave out the start of our relationship, but I thought that if I just really put in my all and healed him to the best of my ability, it would all work out.

What a useless Healer doll! Heal right away!

Think More efficiently!

I've always been a clumsy person.

Those with the Healer class are, naturally, highly sought after to have in one's party. But, despite that...

After making mistake after mistake, no party would invite me to join them. They all decided I was completely useless...

Absolutely zero defensive capabilities! He can't even use healing magic!

Useless on the attack!

Attack!!

Be healed!

Hans!

Yesh!

Plus, there's always an indescribably pleasant scent flowing off that fur coat he wears. It's all just so...

Finally! I've found the perfect partner!

Some-thing' on your mind?

Hey, Hans.

Hans...

Though he was a lot smaller than myself, he was surprisingly muscular and incredibly strong.

A room containing nothing but a single large bed...

What!?

A trap!?

パ...

This is it!

Ejaculate or you're not leaving this room!

"The Room That You Can't Escape Unless You Ejaculate" has a 0.0001% chance of appearing (super duper rare).

ヒューン

IT'S NOT "HAVE SEX"!!?

I-I'll assist you as well!

Th-
The only option is for us to ejaculate...

I-It's as it reads...

くわっ

Assist!? I-I don't need you to do that!

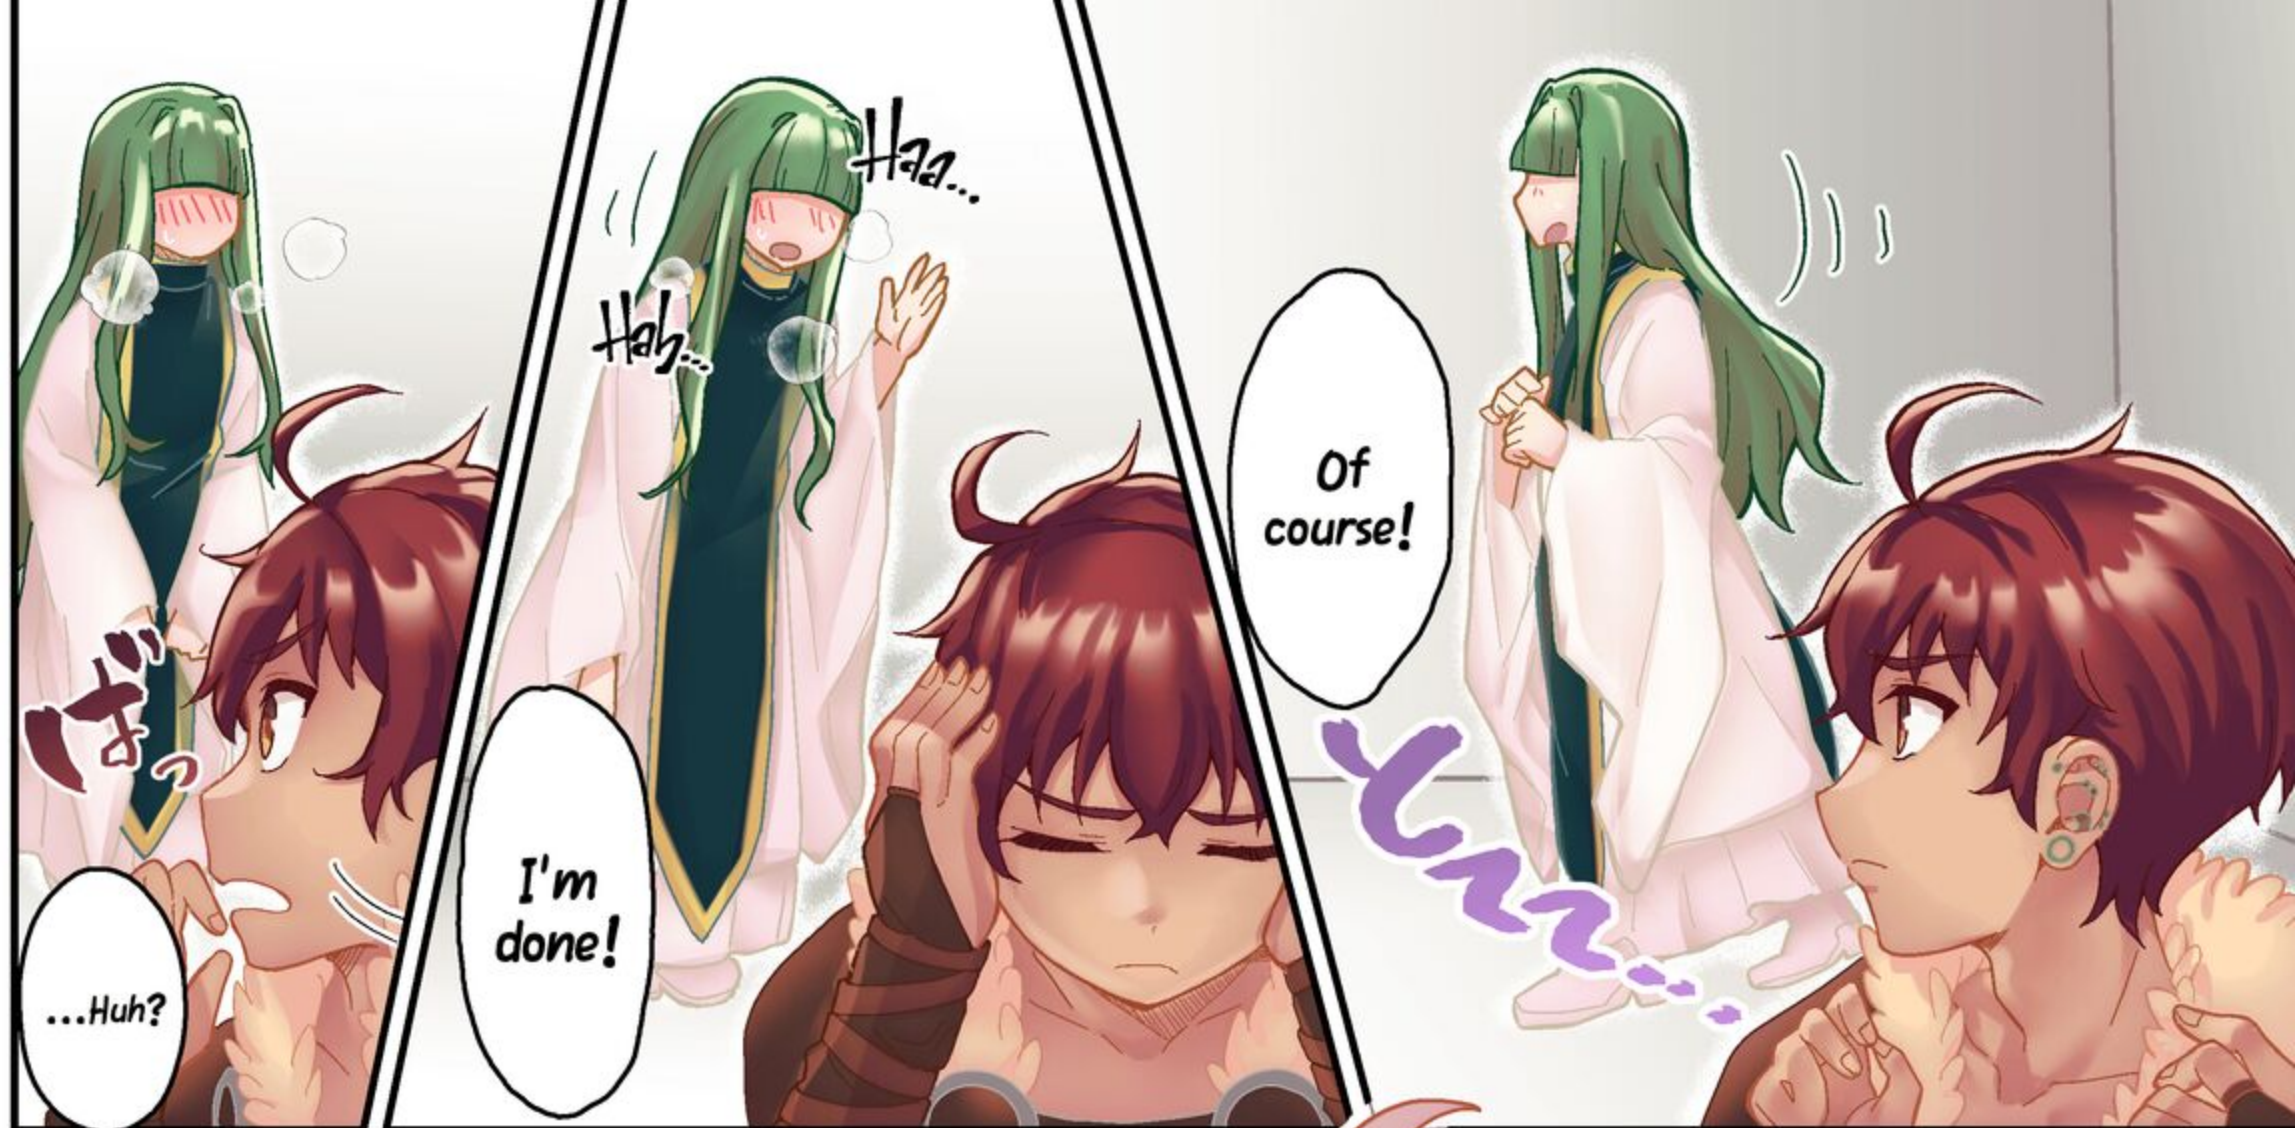

Shh!!

トキ
トキ
!

W-Well, since you're the one who said it, you...

ポッ...

You go do it first.

Just try to focus more on your nipples.

Does it feel good?

Help, you say...

Does it help if I touch your nipples at the same time?

Think about my fingers moving and how it makes you feel.

N-No...

「んん」

No, I... I understand that you're just trying to help me,

B-But,

We're just trying to make me cum quickly...!

「んんんんんん」

「んんんんんん」

He's definitely feeling this...!!

He twitches every time I rub his nipples...

So,

Uhk-

Ah-

Aah!

Ughh!

You don't have to touch my nipples!

Just-

!?

You've gotten hard, Seg.

Huh...

Why'd I...

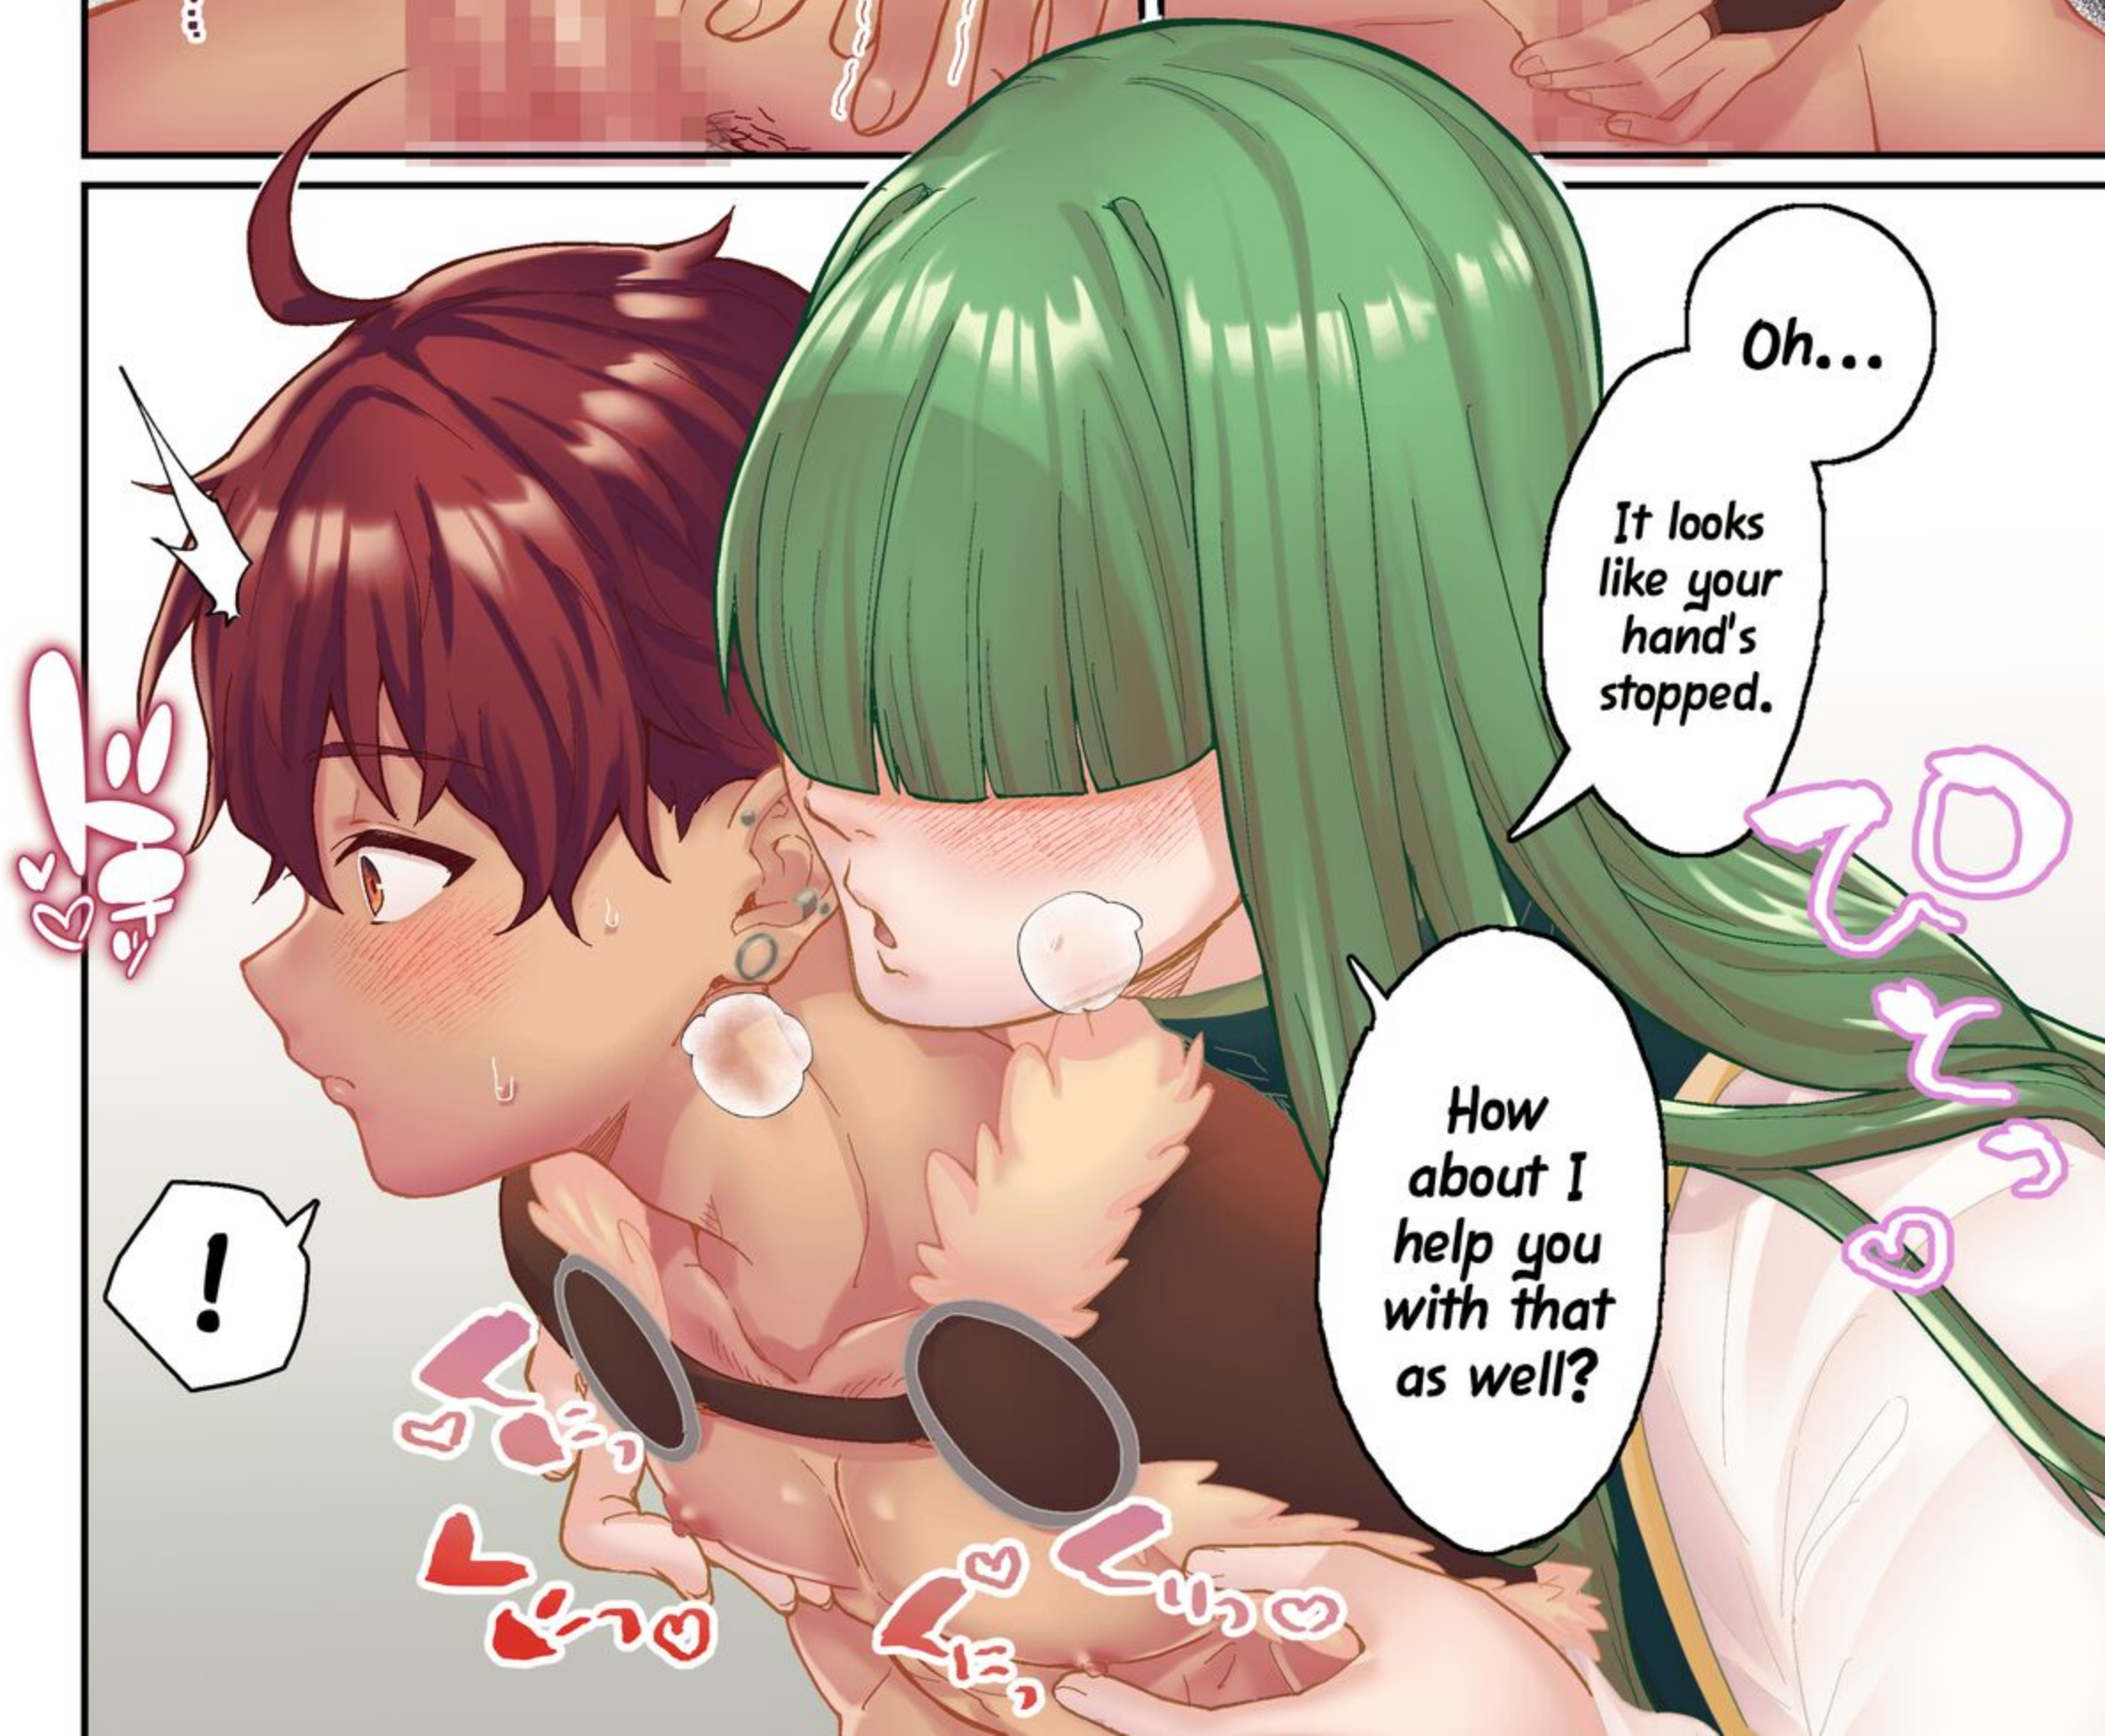

Hag

Hag

Hag

So...

Don't you... You can't do that...

Hah...!

Wai-

Seg's penis...

Hey!?

ガッ

ガッ

ガッ

I'm being touched by another man, it... It feels a lot different from when I do it myself...

This is just so... God-damn...!

Why...

Kuh-Ah...

Why's this happening.

ガッ

ガッ

ガッ

ガッ

Hah... Hah...

Seg's penis is so warm...

Ah!

Shit, I'm...

Uhk-

I can feel it twitching in my hands...

Kuh...

He came...!

He came from my hand...!

Why the hell would I do that!?

Again! Just one more time...!

Seg...

I-I literally just came!

...I mean, it's pretty obvious you are...

I-I am not!

Really, you... Are you hard again?

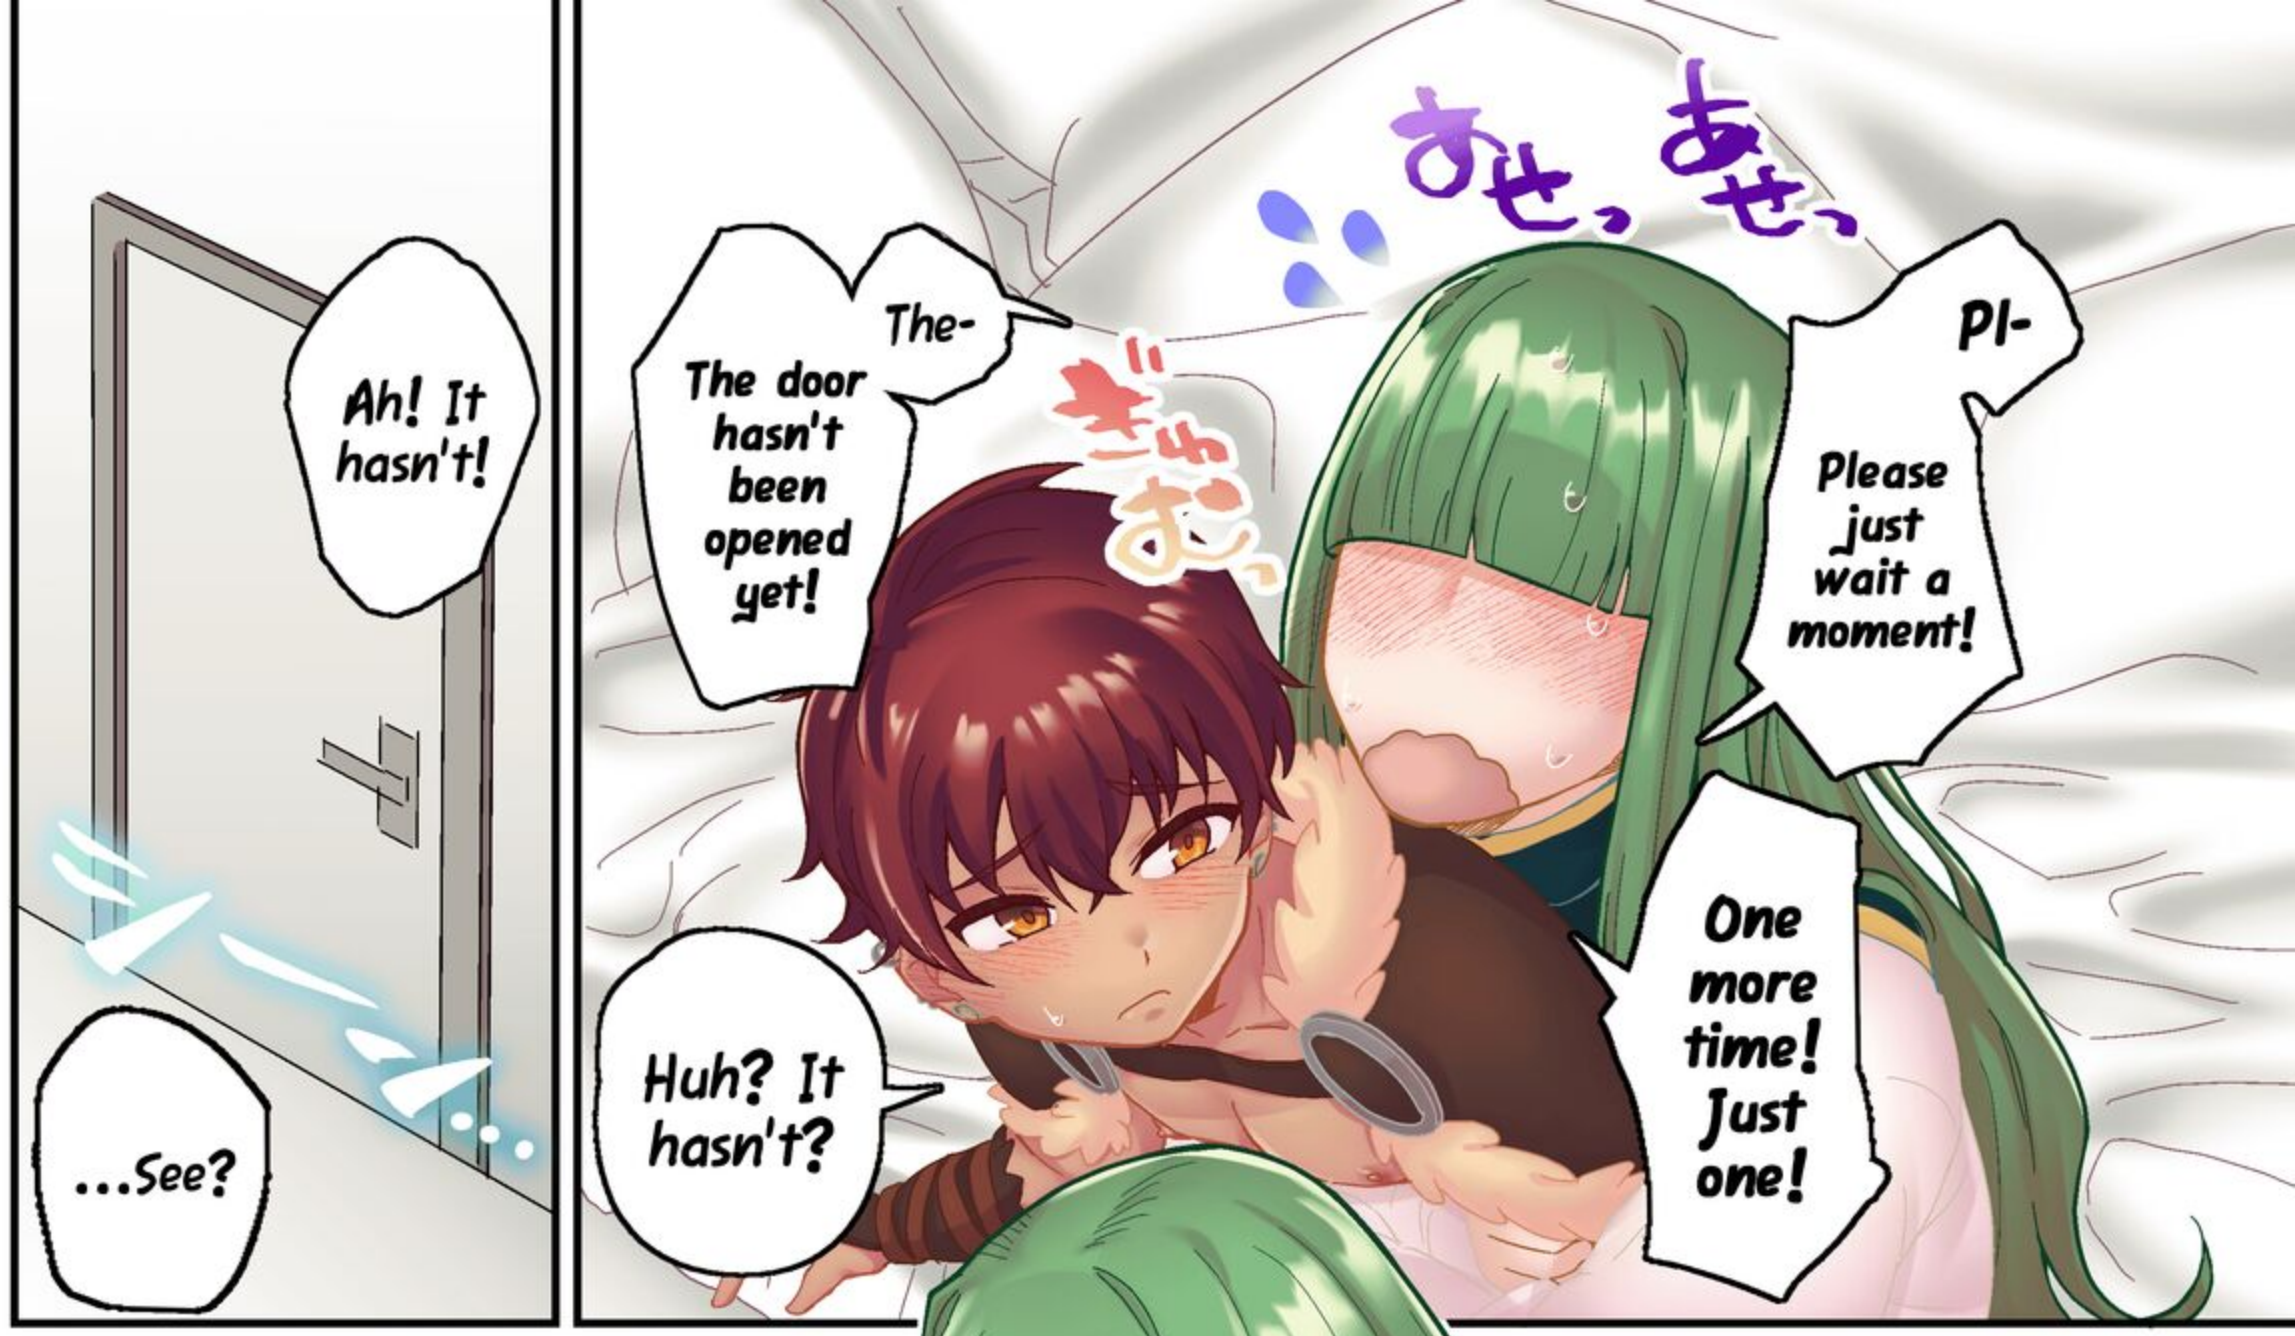

Ah...!

The door should have been opened already.

What-ever.

SWEET

SWEET

Ah! It hasn't!

The-
The door hasn't been opened yet!

PI-
Please just wait a moment!

...See?

Huh? It hasn't?

One more time!
Just one!

あせ、あせ

まじまじ

Besides...

You're still quite hard...

!

What the...
What did you just do?

まじまじ
わん

It's just not-

Stop it-

Uoh!

This isn't right!

I can't!
It won't come out!

Ah...

Ugh!

Guh!

Ah...

オハハハ...

オハハハ...

オハハハ...

オハハハ...

オハハハ...

オハハハ...

O-Of course I am...!

Is that it? Are you done?

There sure was a lot, huh...

!?

What, you... H-Hey!

I like you.

W-Well, I...

Nh!

...Huh?

You-

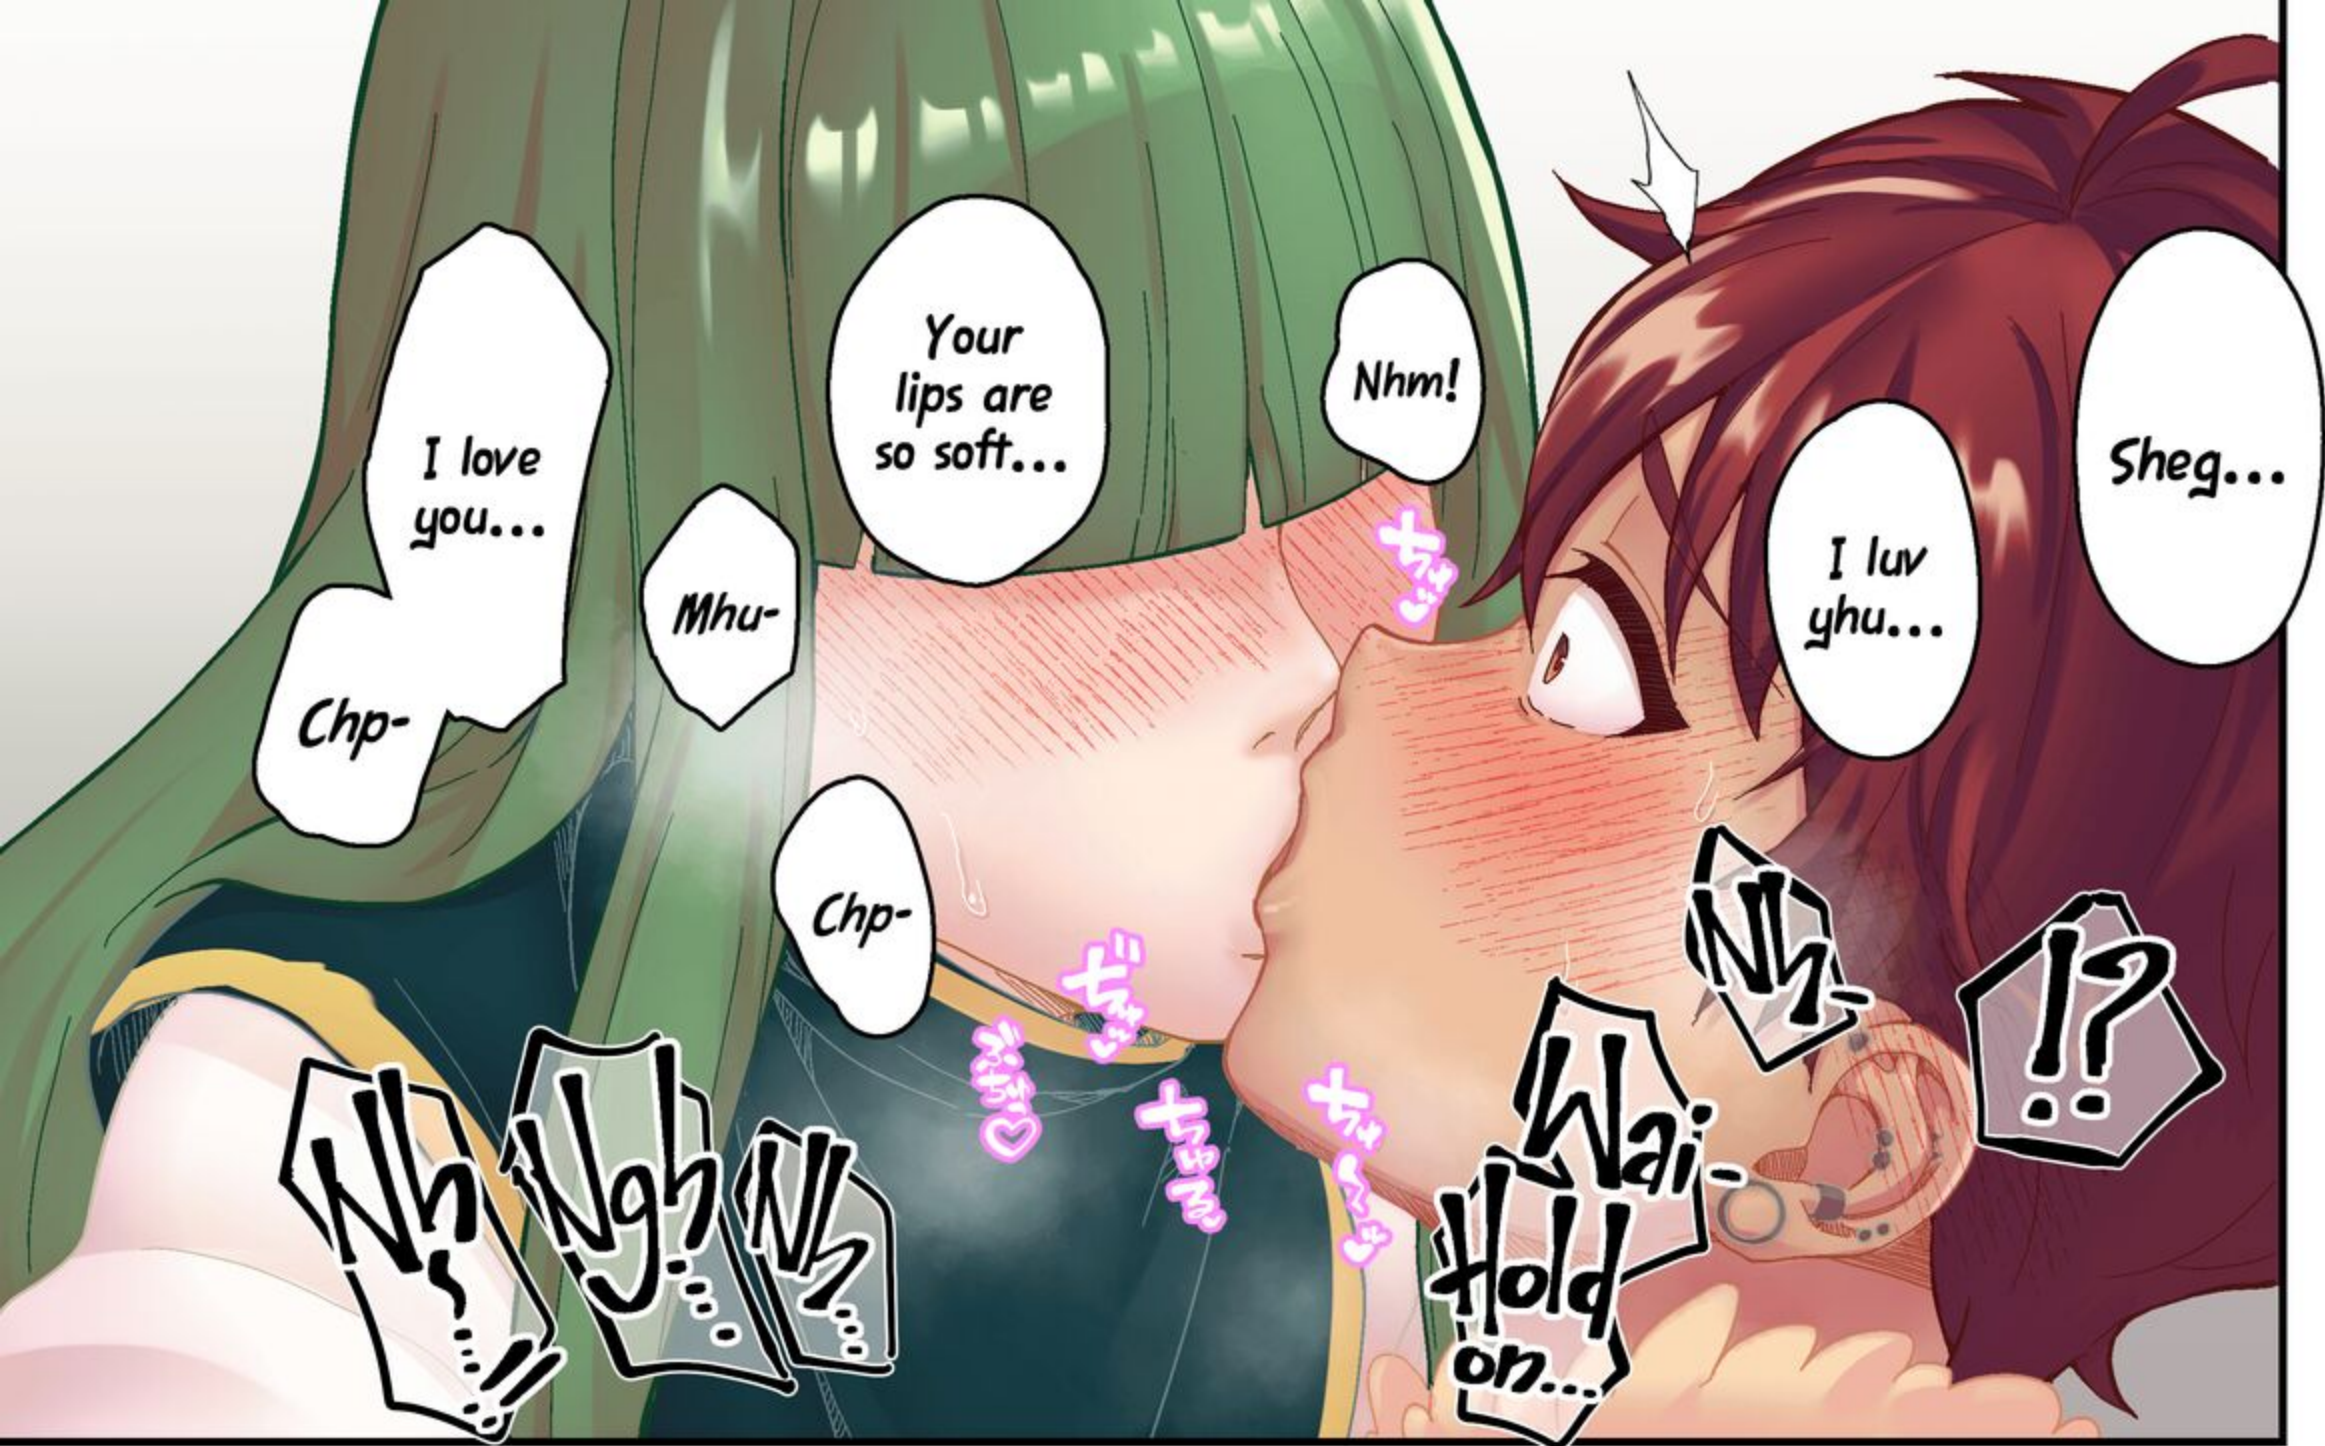

More...
I can make you feel ever better!

You're so cute, Seg...

Why are you pushing this so far...

I-
I think we've already done enough...

It only said to "ejaculate"...

This was my big chance, but it...

This was...

I love you...

Seg-

What the... What are you talking about!? Hans-

Haa

Haa

Haa

ギョウ

Sniff sniff.

Aah...

You smell just like an animal...

Mhm, I just love the way Seg smells...

I want to do more with you, Seg...

I want to have sex with you...

Hans, ah...

It's so warm.

Han's warm thing is... Rubbing up against me...

Guh!

Just listen to me, okay...

Haa

Haa

Haa

ん

かあああああ

...

Uuah...

...Okay then.

W-What are you doing!?

かああああ

Up we go.

You're putting it... What!? Huh!?

かああああ

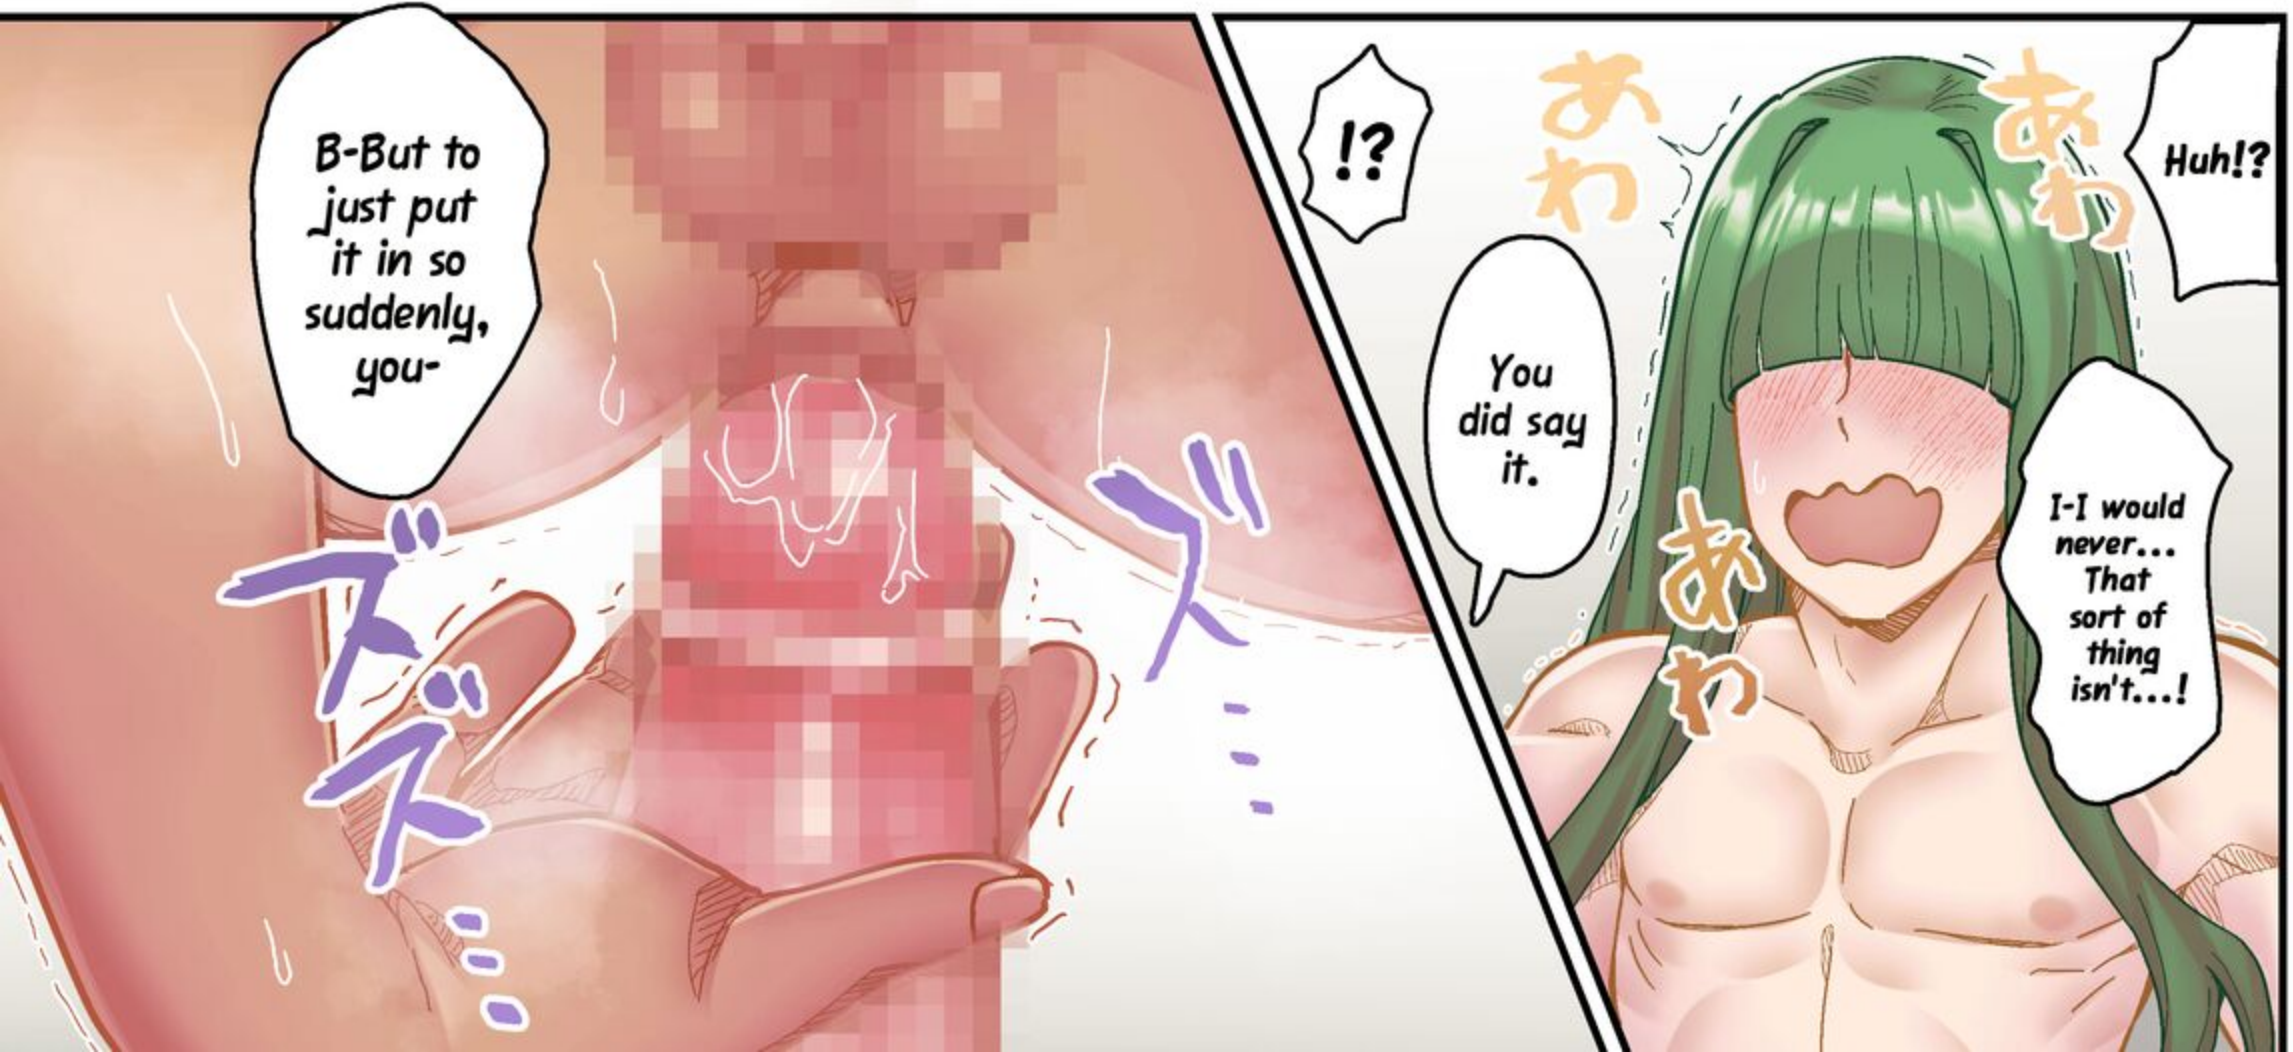

Right?

...Putting it in?

You did say you wanted to have sex with me, didn't you?

Well, You said you wanted this...

B-But to just put it in so suddenly, you-

!?

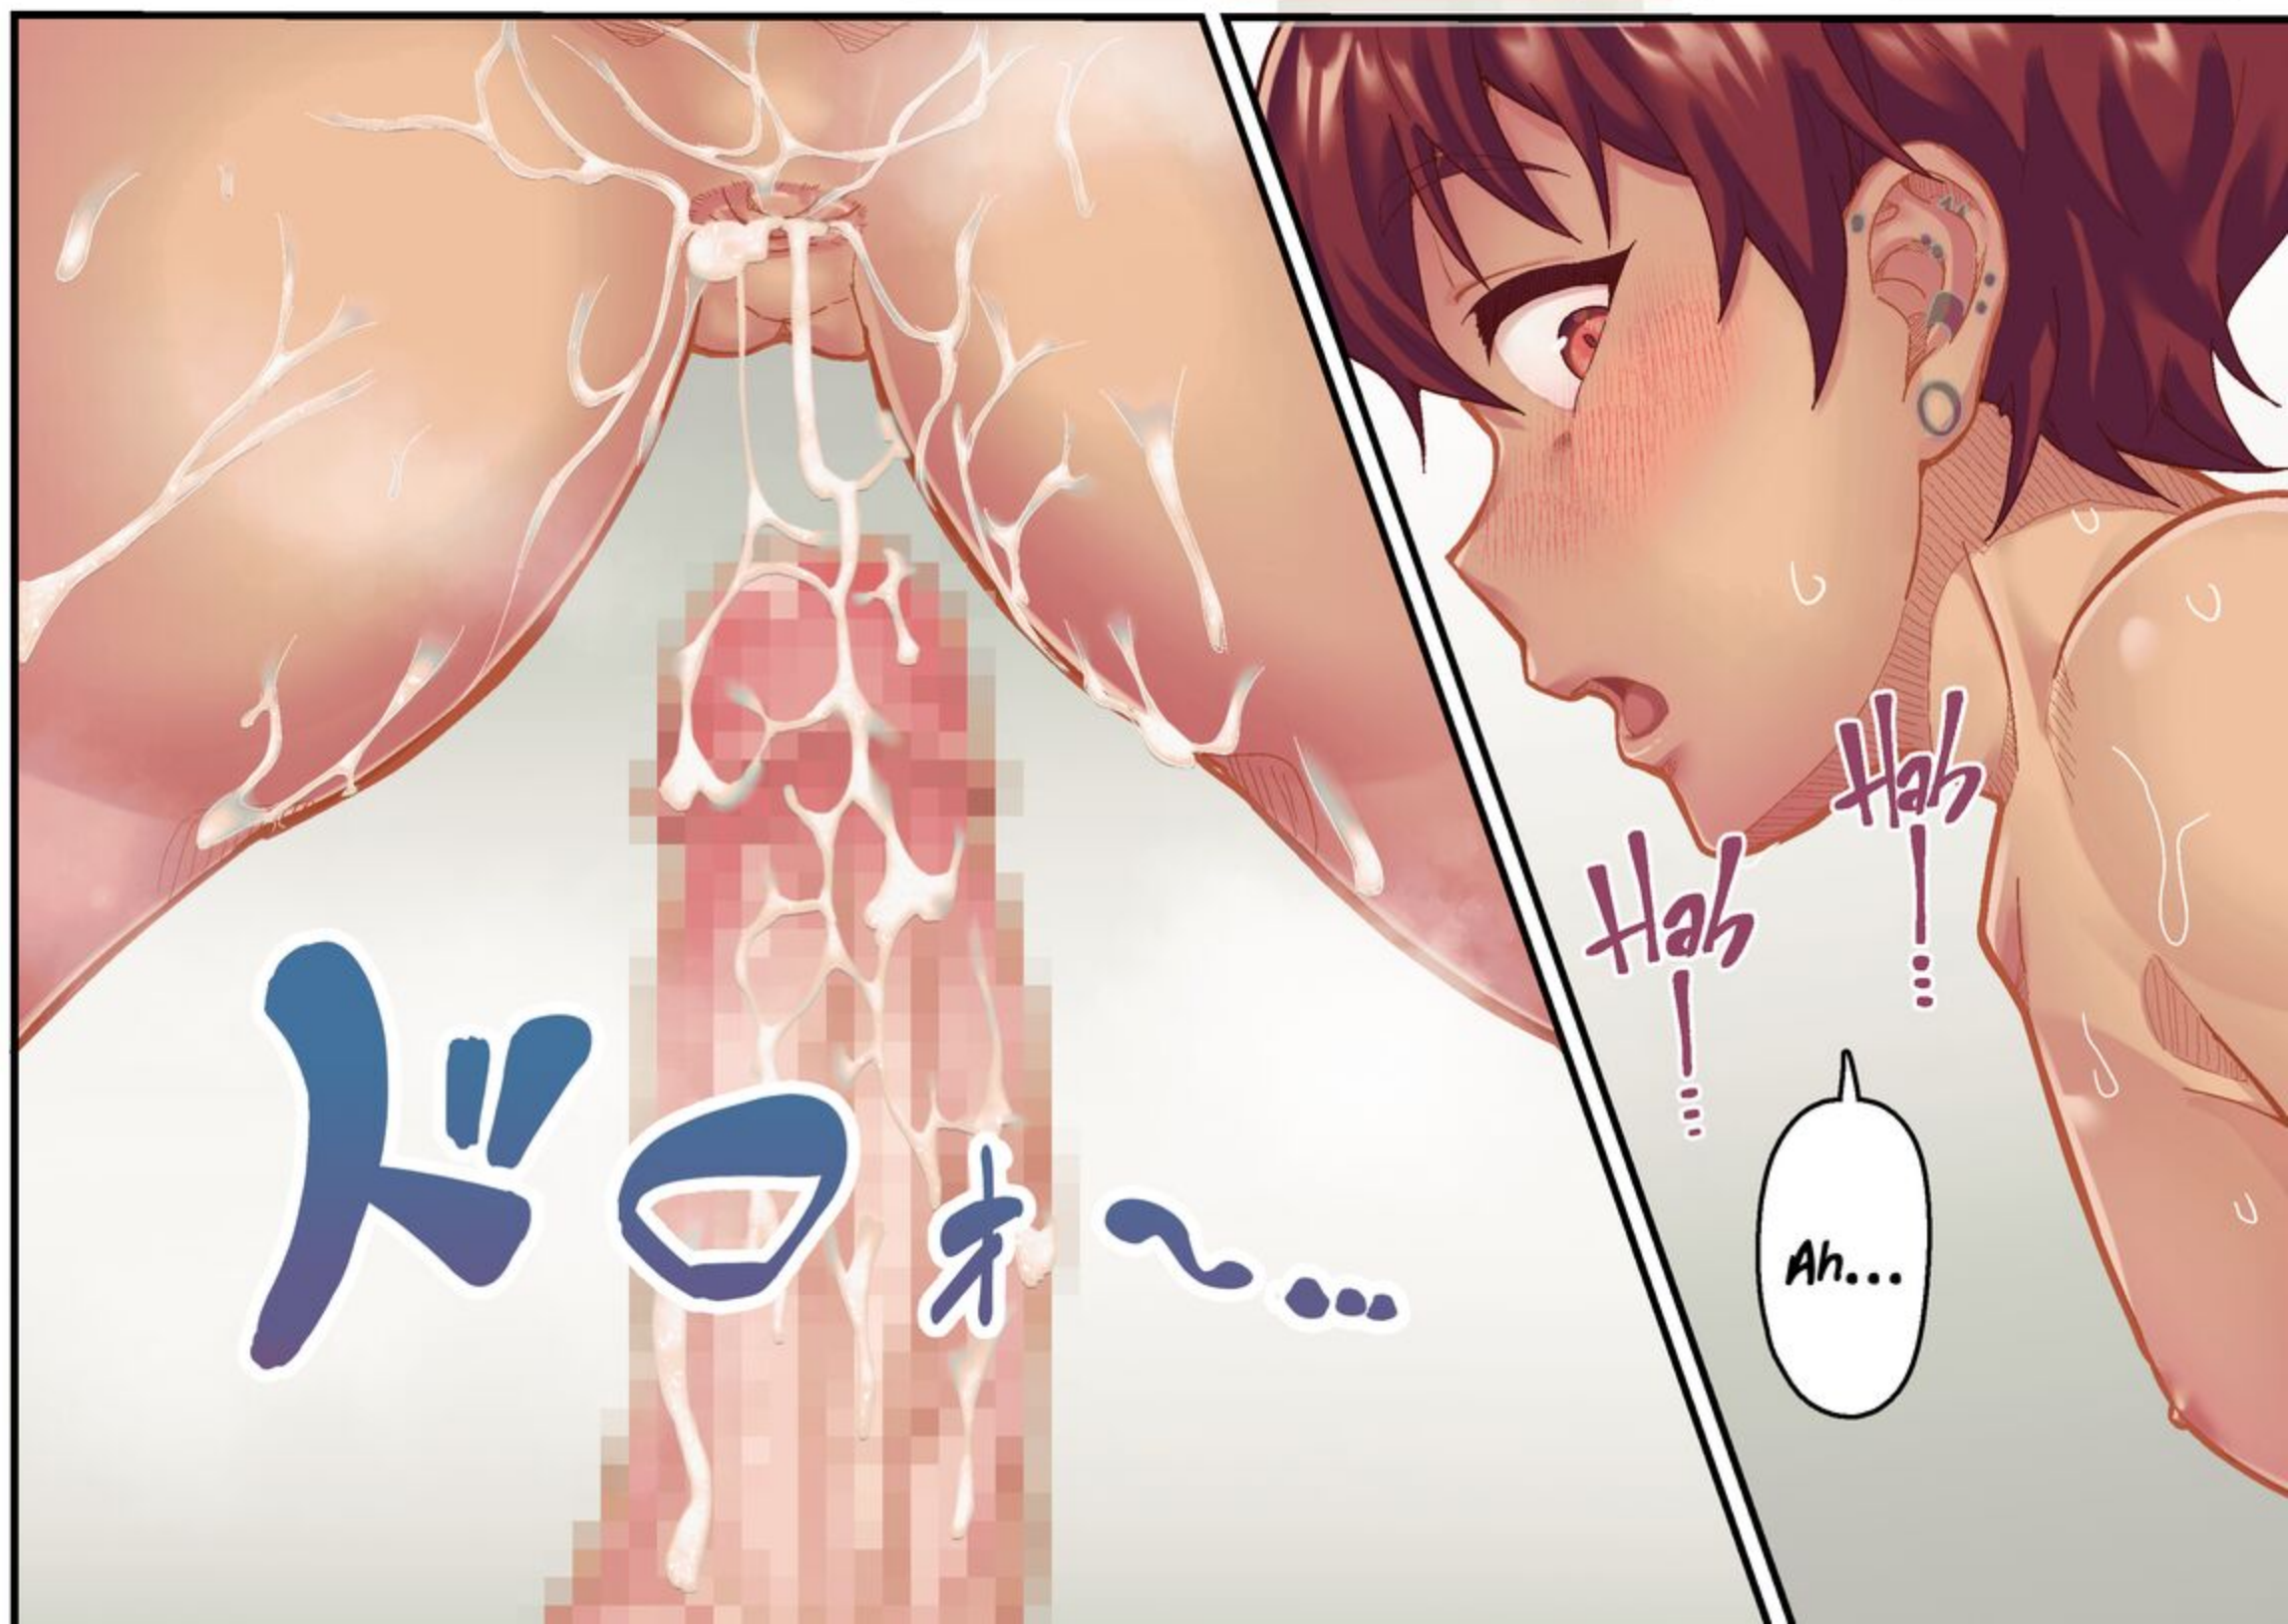

You did say it.

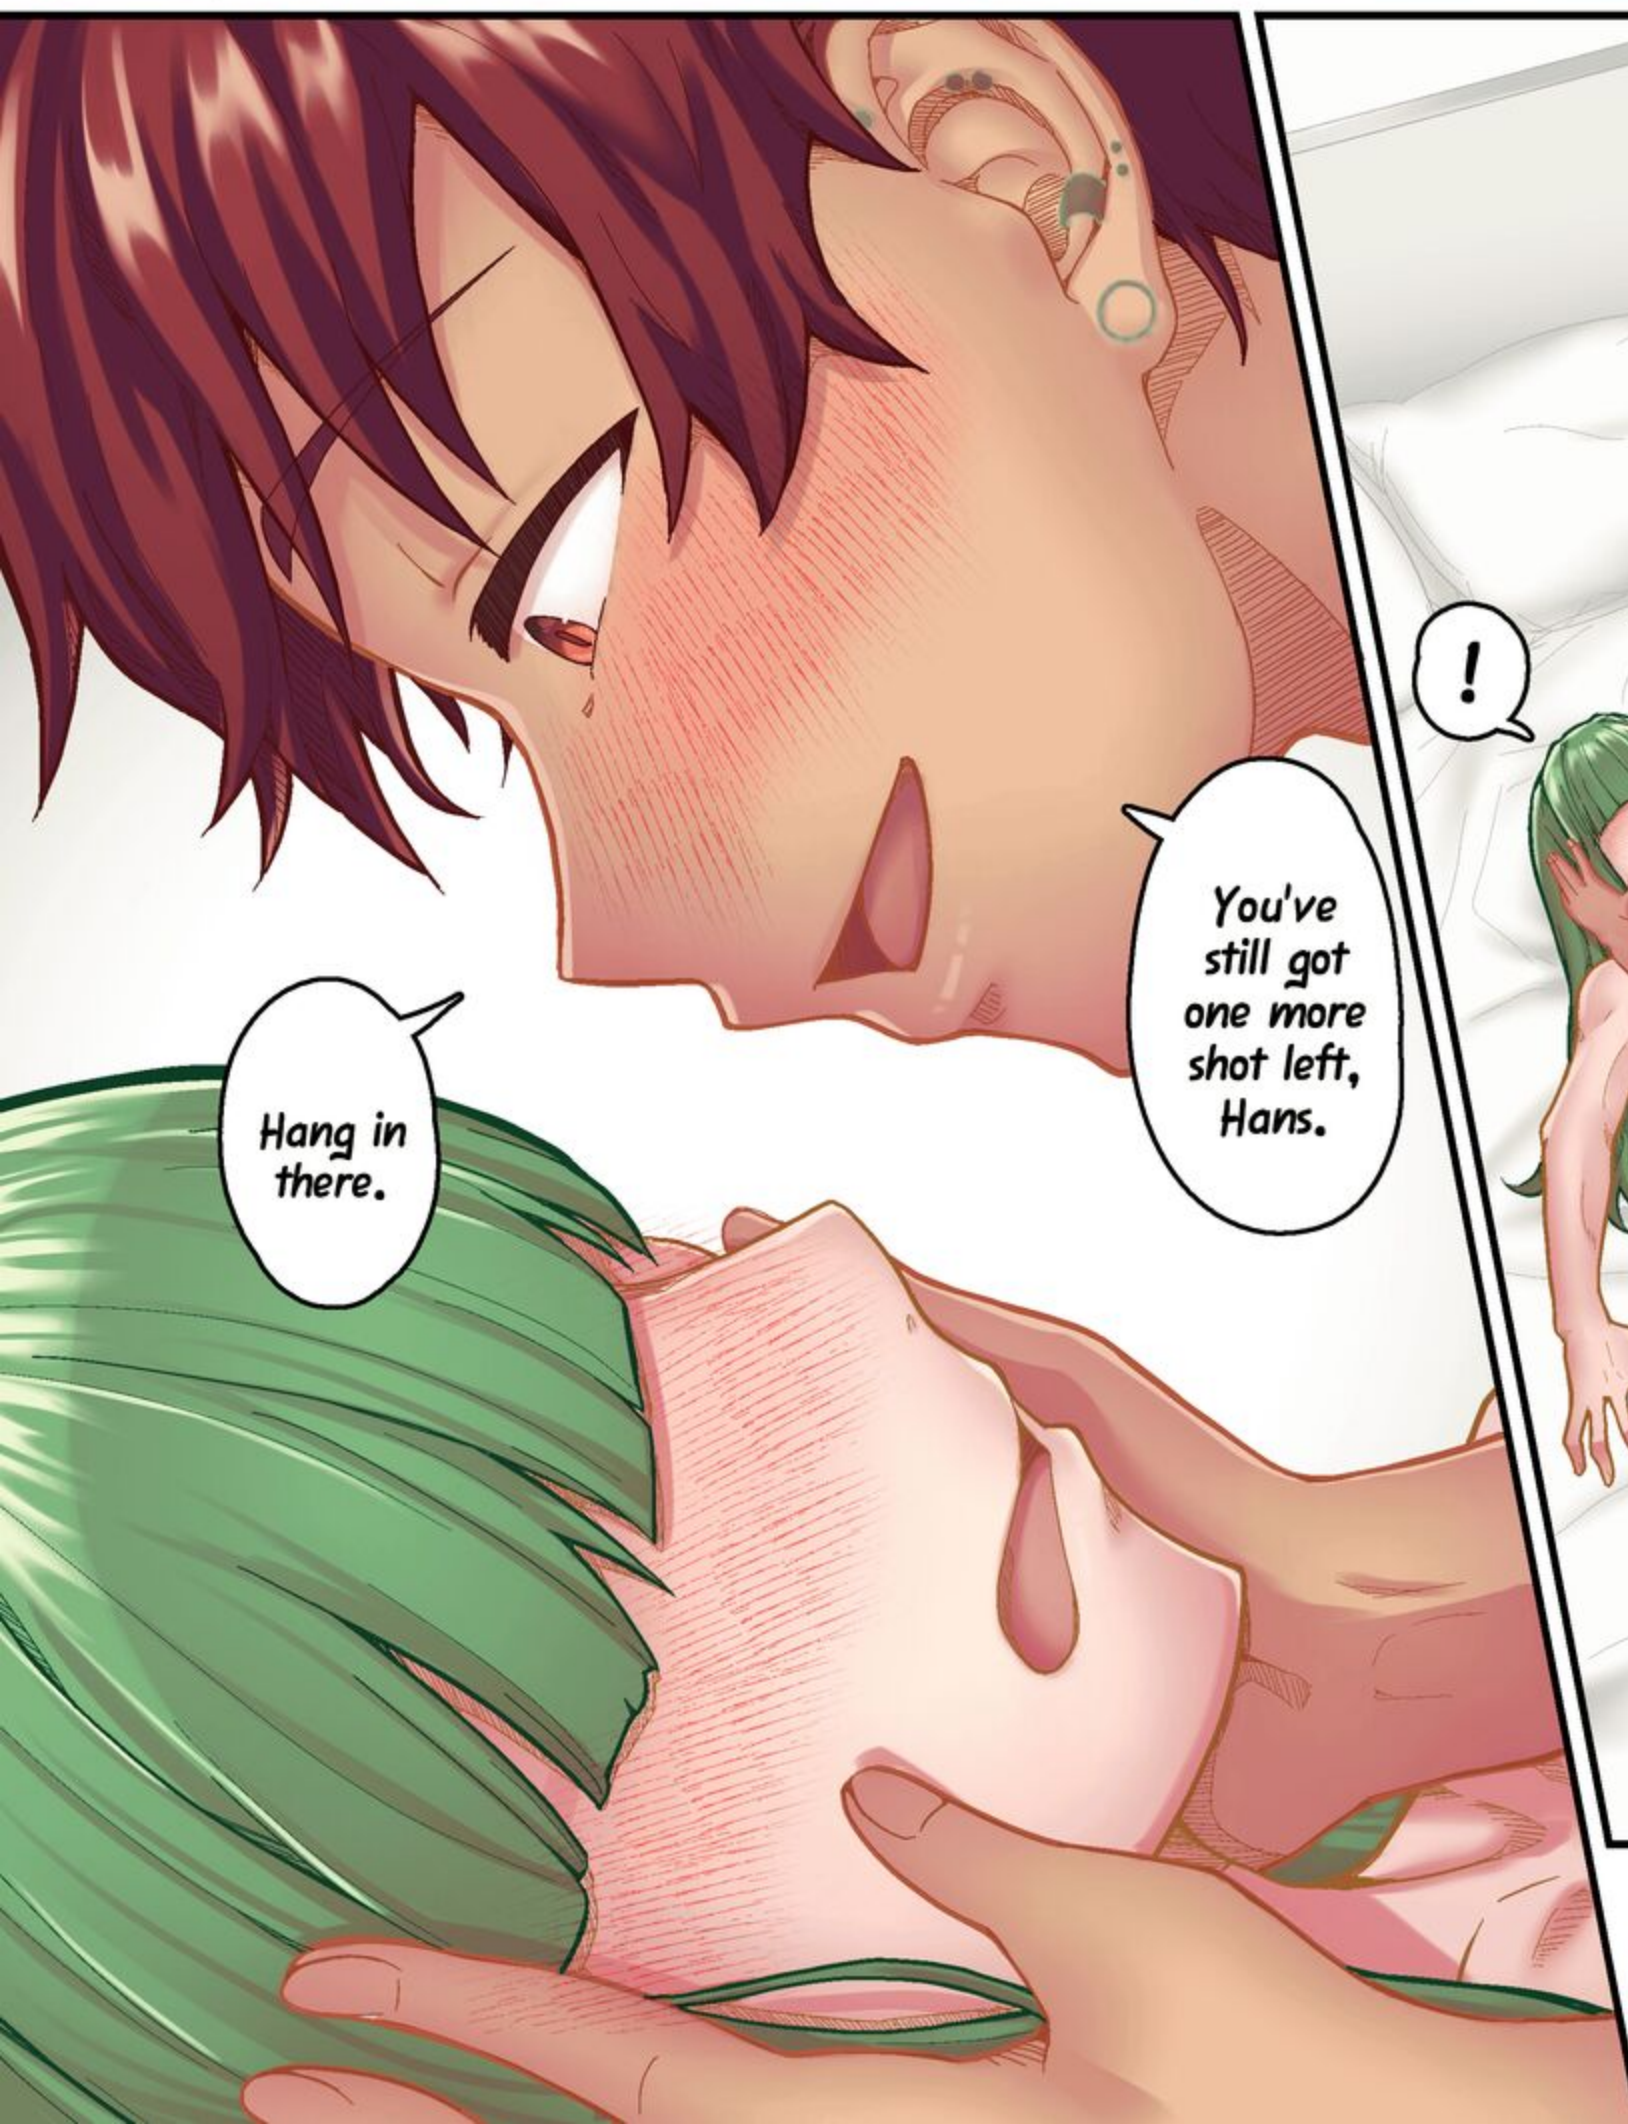

Huh!?

I-I would never... That sort of thing isn't...!

You've still got one more shot left, Hans.

Hang in there.

Good, now I'm all lubed up.

!

ん...

The inside of Seg's butt is so warm...!

I can feel it clutching onto me!

Your insides are just so warm, my... My hips won't listen to me!

I'm so sorry, Seg!

I can't believe how good this feels!

I just can't stop!

And so slick!

It's as smooth as silk-

Ngh!

Don't worry, Hans. I-It's fine...

You can move... Ah! However you want...

I'm sorry, I'm... just doing whatever I want...

Seg!

Have sex with someone like myself?

Just how are you so kind to even-

Seg...

For making me cum like that before!

はっ
はっ
はっ

I-I don't know if I'd call it being kind.

I'm just getting you back-

Aah!

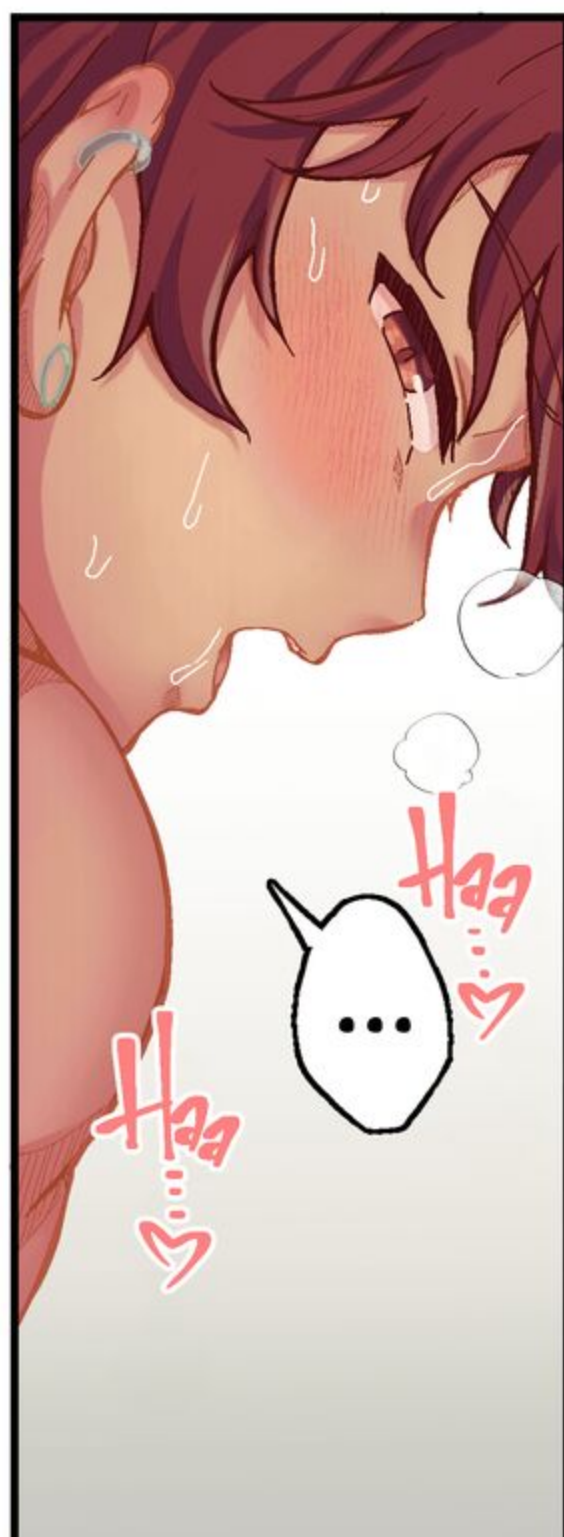

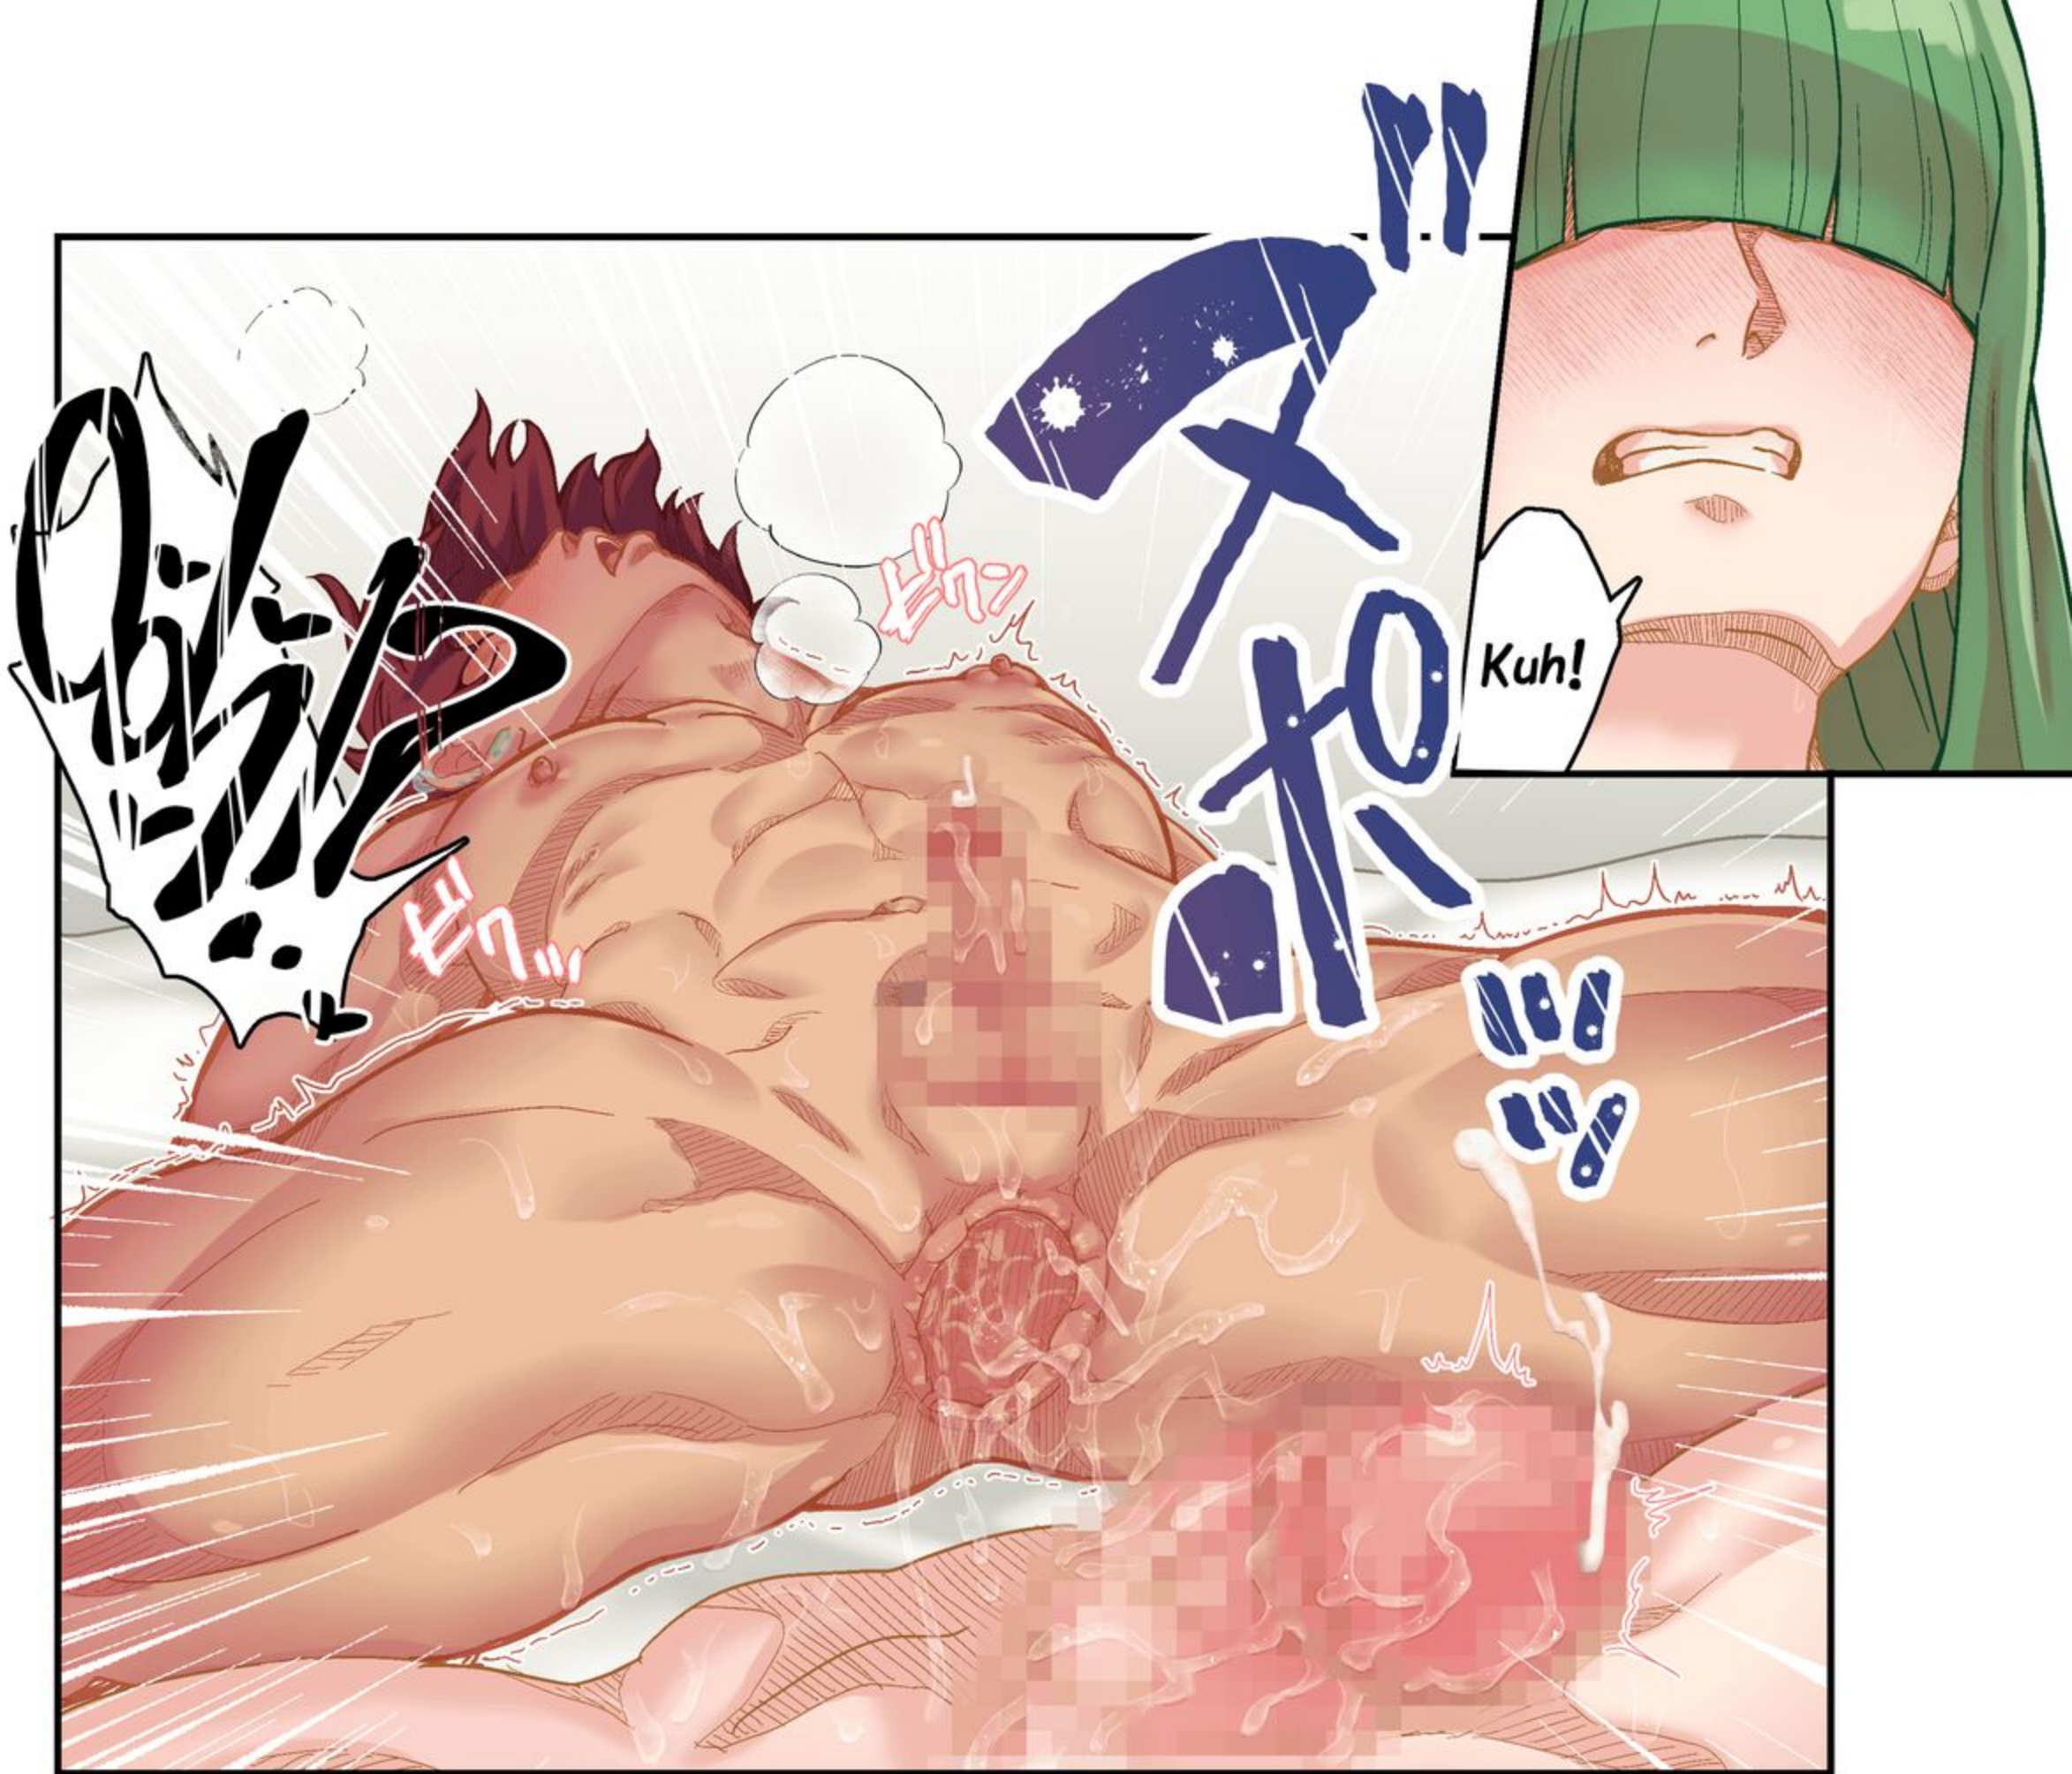

はっ

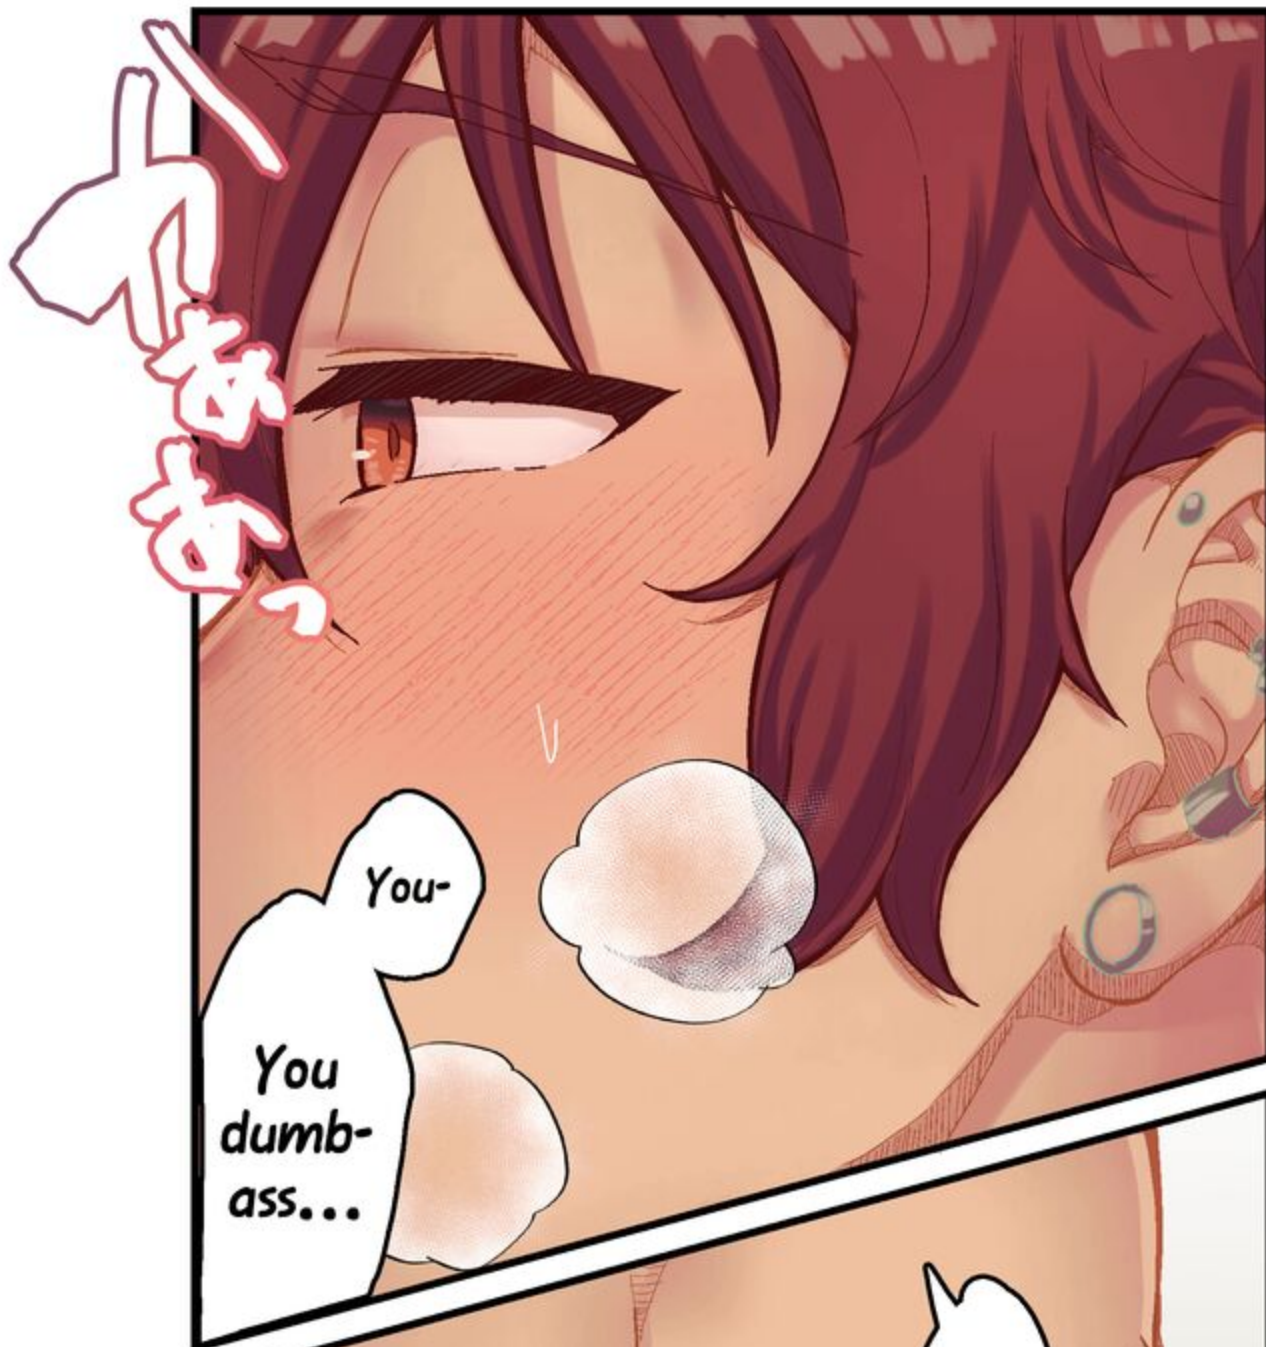

はっ

はっ

はっ

はっ

You-
You dumb-ass...

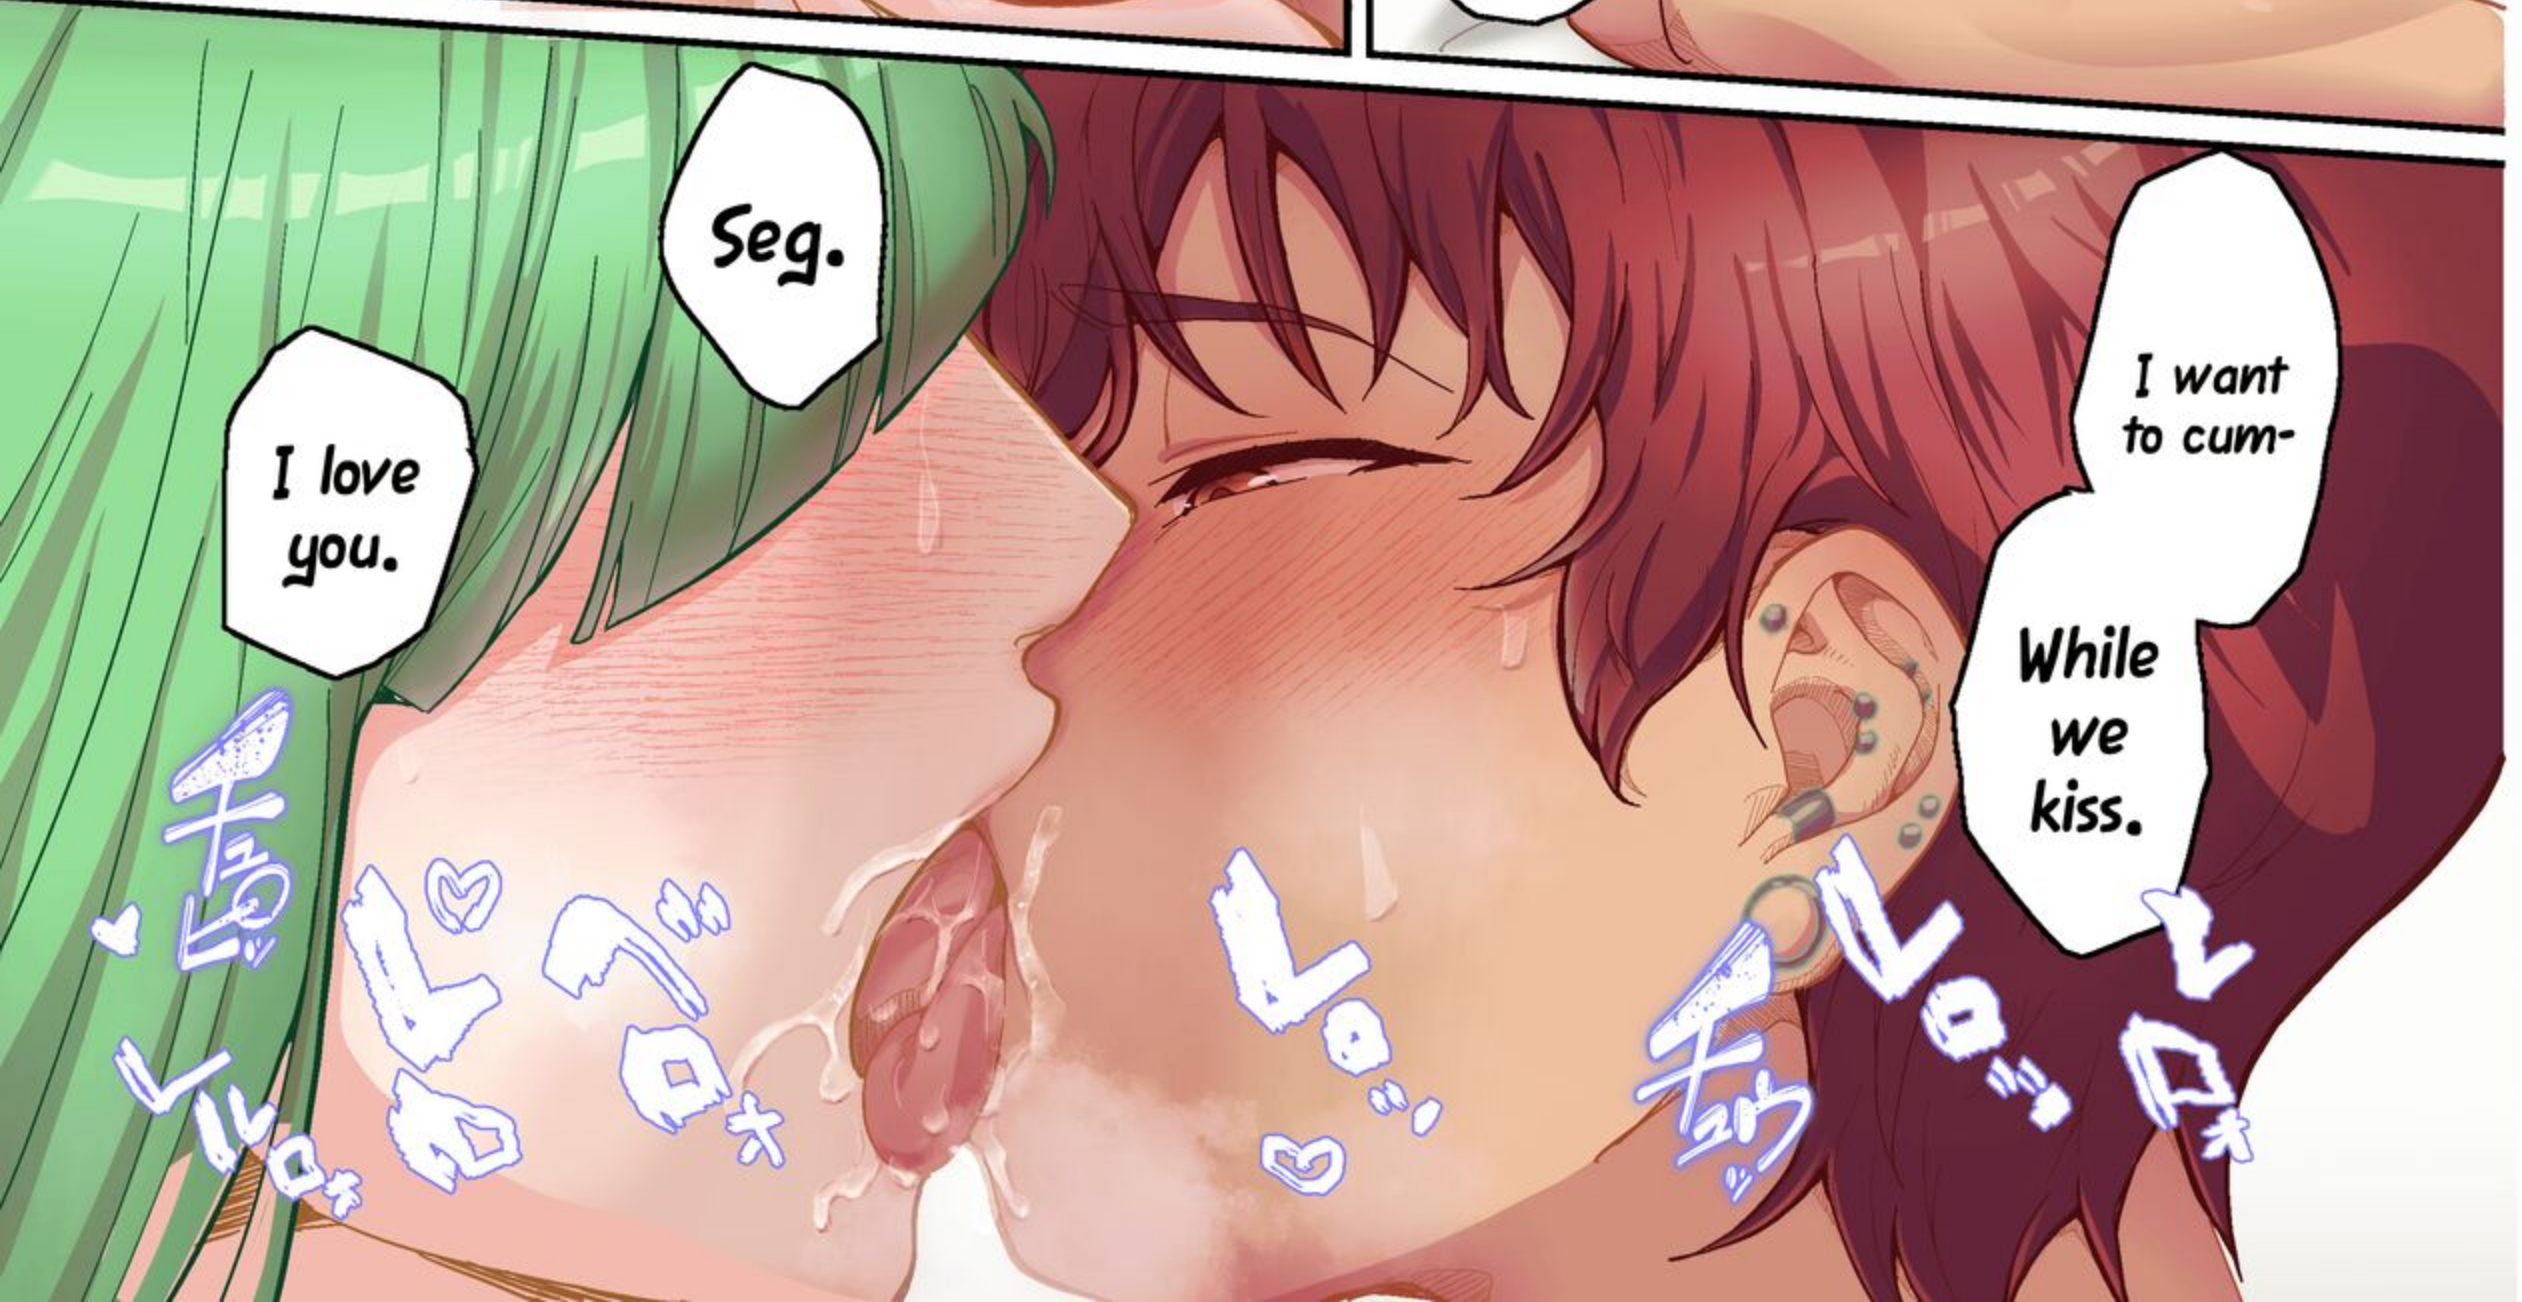

Just hurry up and cum.

It's suddenly gotten a bit snug in there, hasn't it?

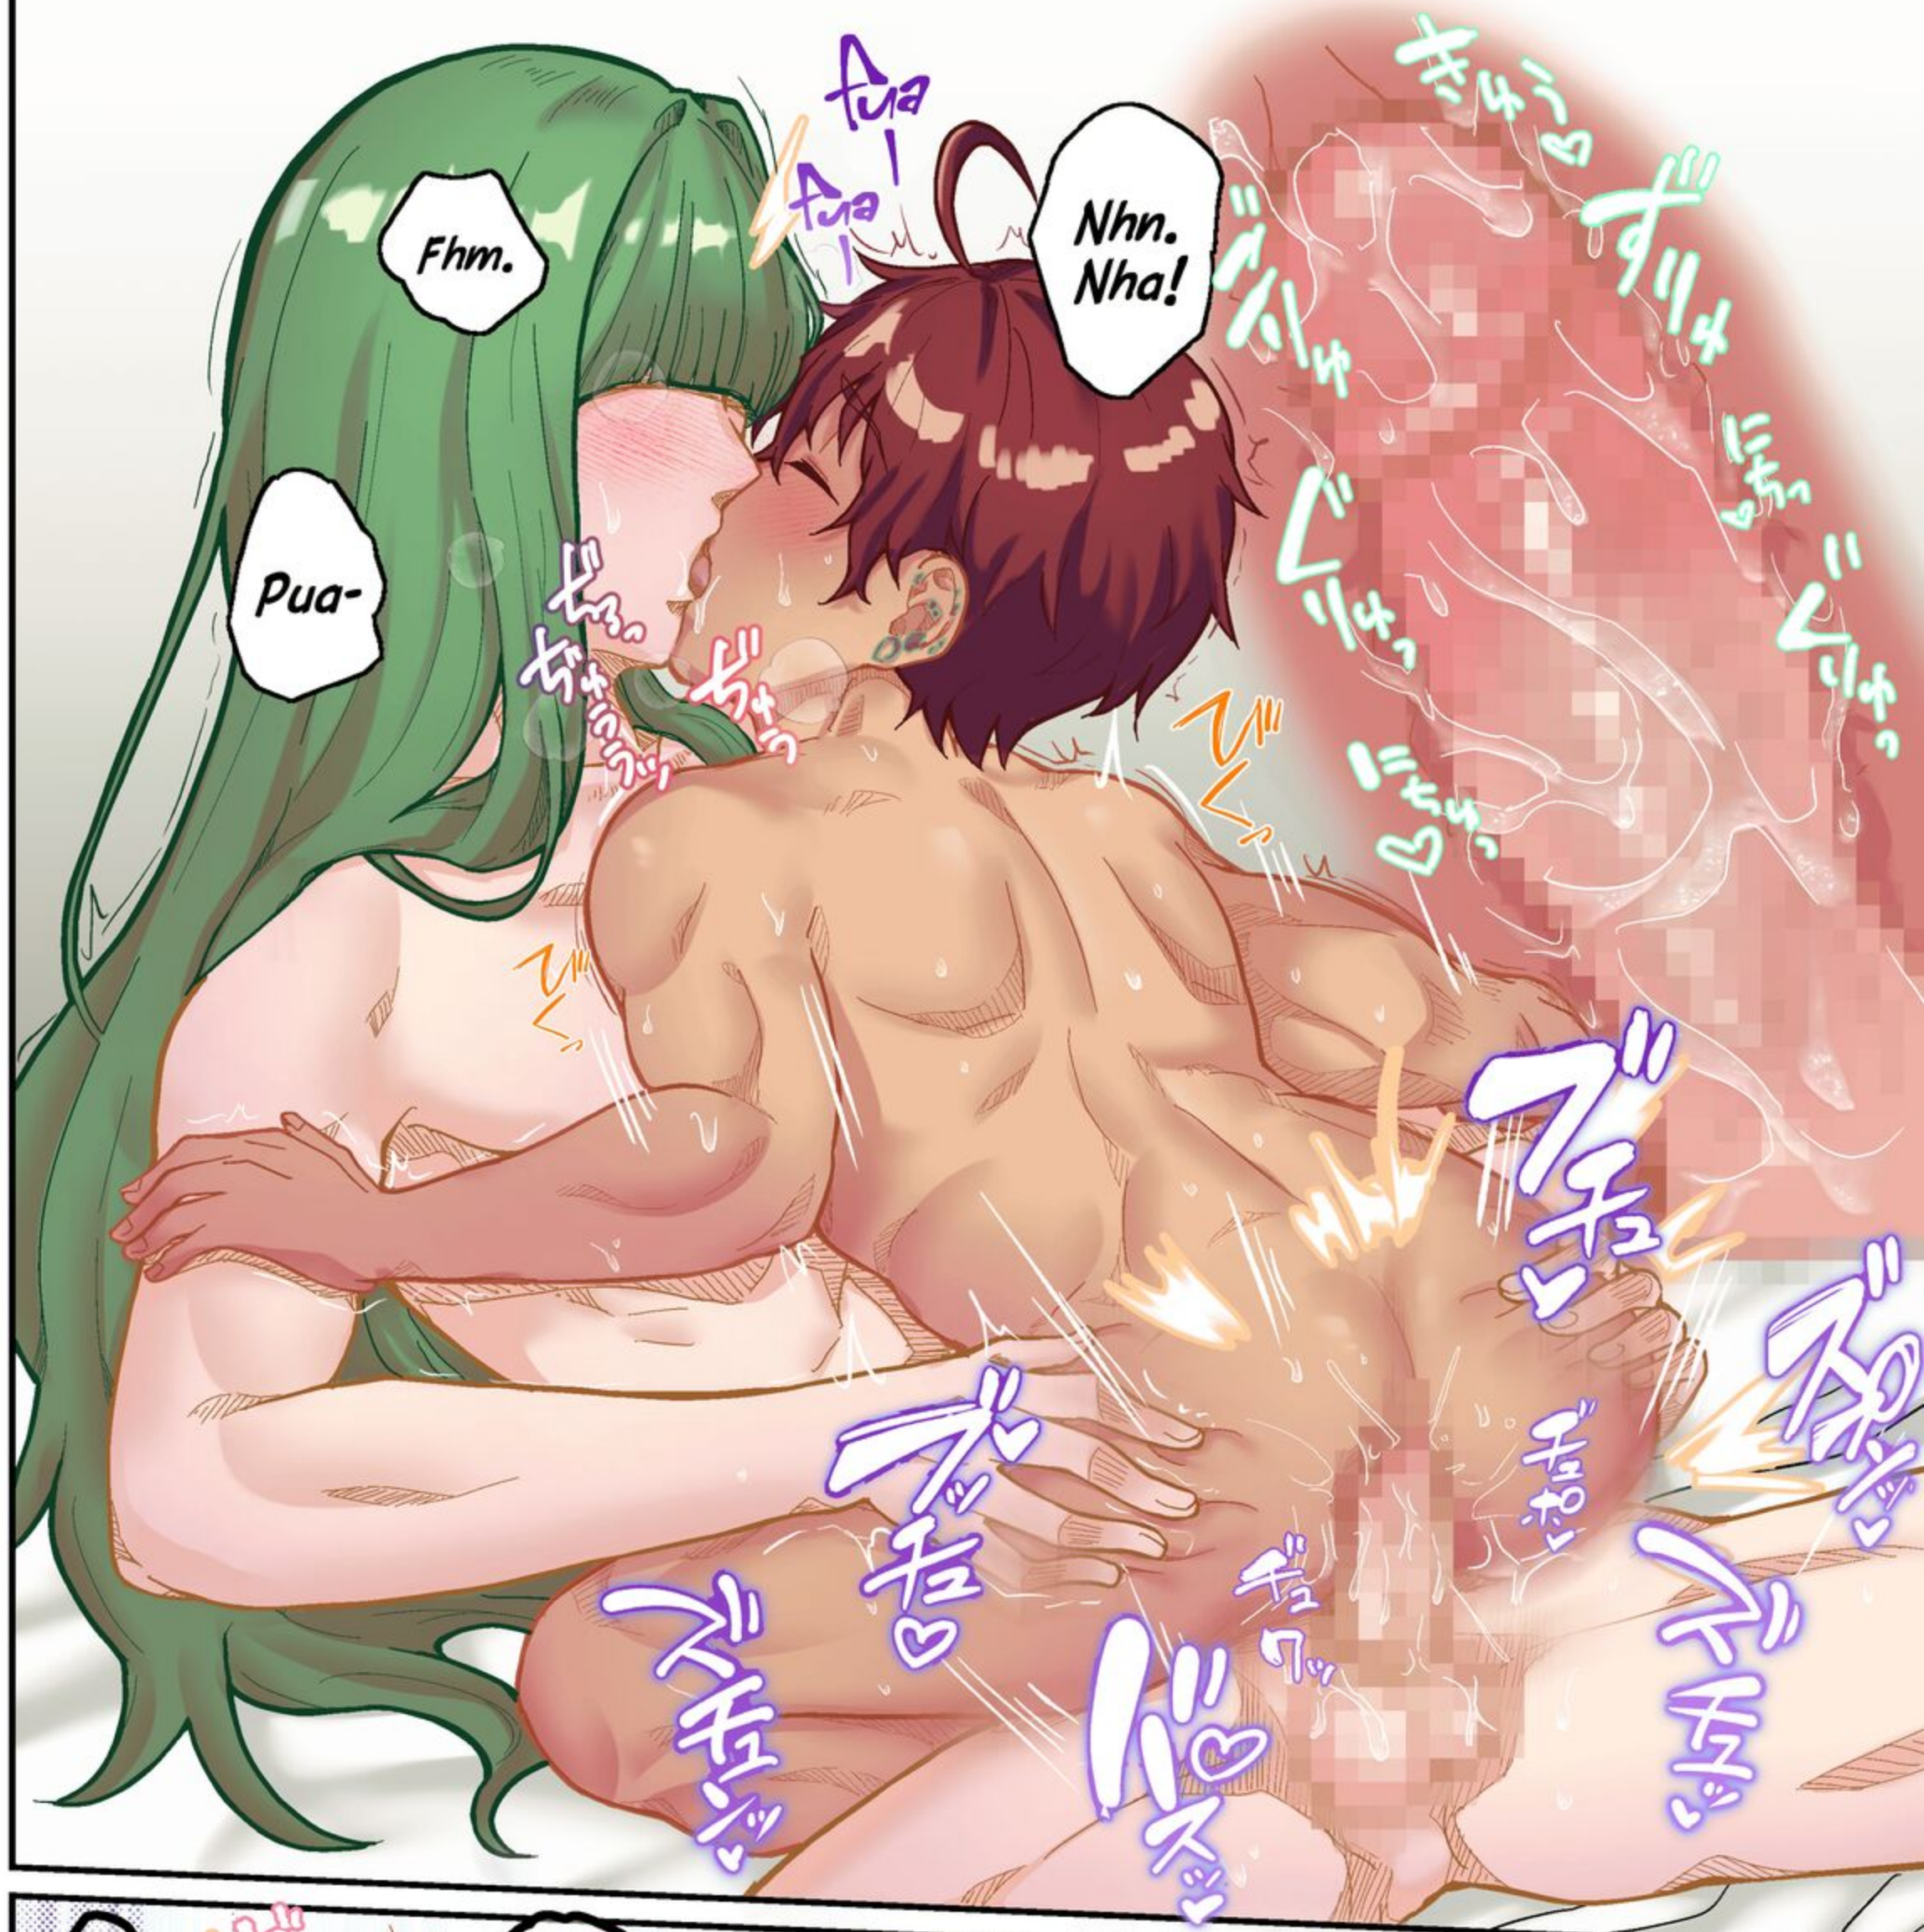

Maybe Seg's butt has conformed to my penis or something...

I love you.

Seg.

I want to cum-
While we kiss.

Hah...
Okay,
We've both cum the same amount of times now. We're even.

Jeez...
It flew all over the place.

Hah.
Hah.
Haa.

Hah!
Hah!
